

Be Good to Your Ford

Put it on Goodyear all-weather treads. They are the best there is for "looks." And their beauty is more than skin-deep. They have won the preference of automobile manufacturers, racers, and the public, because of the mileage they give.

There are two other types of Goodyear Clincher casings in the smaller sizes. We believe that each type is the best of the kind at the price.

We now have a good stock of Goodyear Clincher tires and tubes in these smaller sizes. Also a

Will Be Here Saturday—

Train Is Delayed—
Train No. 53, due in Roseburg at 8:59 a. m. from Portland was delayed for a short time this morning owing to a minor accident at Yoncalla. A knuckle broke, causing the train to "break in two" and some time was necessary to repair the accident.
Returns to Presidio—
Charles Ambrose, who is in the service, and who has been spending a thirty day furlough in this city with his mother, Mrs. Grover Patter, left this morning for the Presidio, where he is now stationed. He will leave soon with his company the 44 Infantry, for the Hawaiian Islands, where they are to be stationed.
Former Resident in City—
L. E. Milledge, a former resident of this city, was a business visitor here and will remain for several days attending to business matters. Mr. Milledge was engaged in the grocery business here several years ago and said today that "Roseburg always feels like home to him."

Over From Sutherlin—
Mr. and Mrs. J. O. Lewis motored over from Sutherlin this afternoon to attend to business matters here. They have recently bought the property of Mrs. St. John in Sutherlin, and will make that place their home in the future. The young people of the family will attend the academy there this year.

Will Attend College—
Miss Annabelle Denn whom it was announced had been secured as one of the assistant teachers for the Heinline-Moore Conservatory during the present year, will not be able to fill the position it was announced today, owing to the fact that the young lady is planning to spend the year in college.
Getting Away From Jazz—
The members of the Jazz-O-Four orchestra are planning soon on eliminating all jazz from their music, in keeping with the general movement which is sweeping the entire country. The waltzes, etc., will be played just as they are written with all the cow-bell and slam-bank accompaniment taken out. At the armory dance tomorrow night xylophones will be added to the combination and a five-piece orchestra will furnish the music.

On Vacation Trip—
Mr. and Mrs. L. Wimberly and daughter, Florence, and Miss Eva Lenox left today by automobile for a trip south. They will travel leisurely through California and thence to Tucson, Arizona, where Miss Florence will enter school. She will be domiciled at the home of her aunt, Mrs. Bywater, at 36 East Pennington street. Mr. Wimberly retains all his property and newspaper interests in Roseburg and will return here later in the year to look after same.

Do not lay your car up on account of a leaky radiator. Our radiator compound will do the work. H. Merten.

Clifford Will Leave Sunday
C. C. Clifford and his brother leave for Portland Sunday morning. The Cliffords have done a tremendous business here, both in the psychic work and health education. They plan on coming here twice each year from now on. Mr. Clifford takes this means of thanking the people of Roseburg for the patronage extended, and for the many little courtesies which have made their visit here one of real pleasure.

IOWA MANUFACTURER REPORTS A GAIN OF TWENTY-FOUR POUNDS

"I have been greatly benefitted by Tanlac even beyond my belief and feel that it is time for me to talk for the benefit of others" said J. D. Wilson Secretary and general manager of the Algona Brick and Tile Co. of Algona, Iowa.

"For three years," continued Mr. Wilson, "I suffered from nervous indigestion and a general run down condition. My stomach was too weak to retain enough of what I ate to keep up my strength and I gradually went down hill all the time. What nourishment I took soured almost at once, and gas would press up against my heart, causing palpitation shortness of breath and intense pain. My kidneys were in bad shape and the smell of my back hurt almost constantly. No treatment or medicine did me any good. I lost weight all of the time and was worried for fear I would never be able to get well."

"Finally a friend advised me to try Tanlac and it has not only relieved all my troubles entirely but I have gained twenty-four pounds in weight, and feel that I have been given a new lease on life. I eat anything now. Why, only yesterday, I ate steak and onions for dinner, and it is nothing unusual for me to eat pork, cabbage, and pastry and digest them perfectly. Tanlac has put me back in fine health and I am glad to tell the public what it did for me for many other people who suffer as I did may be relieved in the same way."

Tanlac is sold in Roseburg by W. F. Chapman and by the leading druggists everywhere.
