**Popular Couple
Wed Last Night**

A charming home wedding took place last night at the residence of Mrs. J. B. Russell on Umpqua avenue, when her daughter Christina Thornton, became the bride of Victor J. Micelli, Rev. E. W. Warrington performed the ceremony in the presence of the members of the immediate families. The bride wore an elaborate gown of white crepe de chine combined with charmeuse and carried an arm bouquet of bride roses. She was attended by Christine Pagan, a school girl friend, who was gowned in pink chiffon and white net. She carried pink roses. The groom was attended by his brother, Albert Micelli. The Russell home was beautifully decorated with a unique arrangement of Japanese lanterns and huge clusters of asters. Following the ceremony a dainty luncheon was served.

The groom is the son of Mr. and Mrs. Joe Micelli and is employed as assistant cashier in the First State and Savings bank. He was stationed at Ft. Stevens as a sergeant in the 4th company during the recent war. The bride has been employed for a long time at the Roseburg National bank. The young people will be at home to their many friends at 715 South Pine street.

**Popular Couple
Married Last Night**

A beautiful wedding occurred last evening at eight o'clock at the home of Mr. and Mrs. A. A. Wilder on Blakely street, when Miss Charlotte Cawley became the wife of Alva Matthews. The house was beautifully decorated for the occasion with flowers and plants. The beautiful wedding march was played by little Miss Lucille Kinney, an eleven year old girl. Rev. C. H. Hilton, pastor of the Christian church, performed the ceremony, using the ring. A large number of guests were present, and the bride and groom not only received many congratulations but also many valuable presents that will be a help when housekeeping begins. Miss Cawley has been a teacher in the Douglas county schools, and Mr. Matthews is a brakeman for the Southern Pacific. At the close of the ceremony, refreshments were served to the guests, and a pleasant evening was spent. Mr. and Mrs. Matthews will make their home in Roseburg.

J. M. Hitchings and wife, of Missoula, Montana, were the guests of Manager Weaver of the Umpqua hotel last night. Mr. Hitchings is the owner of the Florence hotel in Missoula and is on the way to California to spend the winter.

GETS APPOINTMENT

W. D. Nooley, of Tiller, spent yesterday in Roseburg attending to business matters. Mr. Nooley has been appointed road patrolman for the road between Canyonville and Tiller. He formerly had the Perdue-Tiller section under his supervision but his territory has been extended to include the Canyonville-Perdue section. Mr. Nooley was one of the boosters for the Tiller cut off road and says that the men are on the ground and work will start the first of the month.

**Many Offer Help
To Needy Family**

Instant response has been given to the plea of Mrs. Anna Davidson and her two little girls for food and help, and both money and clothing have been contributed. Many have asked the exact location of the house in which they reside with the intention of calling on the family to see what can be done in the way of personal help. Immediately after hearing the story Roy Bellows of the Bellows Dry Goods store, offered to completely outfit the two little girls with clothing and this was done by him today. Lorraine, the 9-year-old girl is now overjoyed with the fact that she can start school Monday, as is her mother, sick as she is, worries constantly over the fact that the little girl is not in school. Other help of any kind will be welcomed.

The Symbol of Merit

In ancient Assyria, stone jars marked with certain seals were known to contain wine of the highest quality. In modern times articles stamped with certain trade marks are recognized as supreme in their field. The Bosch trade mark is a notable symbol of merit—a mark which for more than a score of years has designated supreme quality, and proved this meaning to more than 4,000,000 users of Bosch High Tension Magneto Ignition. Through the world it designates America's Supreme Ignition system—the highest of manufacturing ideals, jealously guarded and scrupulously maintained. To seek this mark, the "A-B" trade mark, to find it and to make use of the automotive electrical products it identifies, is to be positively satisfied.
