Two young ladies, who were evidently with leap year design and driving a flivver of a well known make, rounded the Jackson and Cass street corner on Saturday evening at a fair rate of speed and picking up a pedestrian on their fender carried him along for nearly a block. The pedestrian, who by the way is a wealthy young bachelor who resides near Roseburg, was attempting to cross the street with a friend. He tried to jump clear of the onrushing flivver but failed. The young ladies were quite frightened when they stopped their car and found him clinging to the fender but the victim wasn't looking for any more escapades and so beat a hasty retreat before they could learn his name.

LEGION MEETS TONIGHT.

The first meeting of Umpqua Post, American Legion, since the summer adjournment was taken will be held tonight in the G. A. R. room at the armory. The meeting will be called to order at 8 o'clock and plans will be made for post activities during the winter months. During the past year the local Legion post has accomplished very little and the boys are determined that the ensuing year will bring forth better results. Unless the members themselves take an active interest in the legion work they cannot hope to attain any big results. The ex-service men of Douglas county are entitled to a community building and club rooms and tonight is the proper time to start the ball rolling.
