**WE ARE TAKING A LOSS—WE'VE GOT TO.**  
Friends, this is positively the greatest buying chance in the city of Roseburg. Examine into it and see the difference rather than the similarity of other sales you have seen. A person needs judgment to discriminate against high prices. One also needs judgment to choose between low ones. It's just as necessary to pick the right store for shoes at regular prices; quality is just as important when prices are reduced as when they are not. A glance at the items will prove the wonderful savings. You will be more enthusiastic when you see the values. This is really a buying opportunity.

**BEAR CAPE IS LATEST FAD IN PARIS**  
Paris, France, Oct. 6.—The "bear" cape has made its name in Paris. The cape consists of a single bearskin of the type used solely for rugs. The paws were crossed over the back of the wearer and fixed with a clasp. The hind legs were loosely just below the knee and the stockings legs of the

wearer. The combination of bare skin and bare neck with the heaviest furs imaginable, made even the social referee, Andre de Fouquieres, gasp, while rival dressmakers claim that the fur was ridiculous and impracticable on account of its weight.  
**CHRISTMAS SALE.**  
The ladies of St. George's church will hold a Christmas sale Dec. 11. Location of the sale will be announced later.

Cigarette smokers still hold their own.
