Red Cross to Meet Wednesday

On next Wednesday afternoon at 4 o'clock in Judge I. B. Riddle's court room in the Douglas National bank building, will be held the annual meeting for the election of officers for Douglas county chapter of the Red Cross.

This is an open meeting and if you are interested in this work you are invited. A chairman for the fourth Red Cross roll call must be named and a plan determined upon for putting on this membership renewal.

Only one dollar is asked for a year's membership and 50 cents of every dollar paid in by Douglas county people remains in our county to be used for immediate relief work. Do you realize that over \$1500 was expended last winter in caring for the terrible epidemic of influenza?

Additional funds will no doubt be required again this winter. By renewing your membership every one contributes toward these various county relief activities.

A Douglas county public health instructor nurse has been regularly employed for the past few months, and it is planned to allow her to cover every part of the county, if the work is to be continued.

Children's Eyes

Should Be Examined!

YOU should know whether your children's eyes are normal, whether they see near and distant objects perfectly and whether school work and reading have strained their eyes. Poor eyesight will hold back their progress and make them seem dull. Do not let them be handicapped with poor vision, when a properly fitted pair of glasses will give them relief and make them on par with the others. We are fully equipped for examining eyes and fitting glasses.
