**Demonstration Is  
 Highly Successful**

The demonstration of the inventions of the Automatic Electric Brake company at the Nash garage last week attracted the attention of a number of Douglas county people and practically \$10,000 was invested in the stock of the company at \$5 per share. Their inventions are sure-ly up to the minute in the mechanical world, the automatic electric brake, as also the electric combination hammer-drill, being the only machines of the kind in the world. The other invention of the company was not shown, it being a brake hub-band for automobiles, trucks and trailers, which will do away with the big expense of having brake bands relined, as it will last the lifetime of a car or truck. The proposition, as outlined by the company, is very convincing and Roseburg and Douglas county people are aiding financially in promoting this profit-making industry. R. Z. Farmer, president of the company, is at the present time in the east, where he is contracting for the manufacture of the inventions on a royalty basis, several big companies signifying their intentions of signing to manufacture them in all the states east of the Mississippi river.

**SAM GURNEY ON TUSCANIA  
 AND NOT T. V. GURNEY**

In a statement which was made in a recent issue of the News-Review, concerning the shipment to Roseburg of the body of James B. Gurney, who was lost on the Tuscania, a misstatement was made as to the identity of the brother who was with him at the time. Instead of T. V. Gurney, S. M. Gurney, now of Marshfield, was on the ill fated boat and made a desperate attempt to save his brother.

**SLOAN'S GOES RIGHT  
 TO THE ACHING SPOT**

You can just tell by its healthy, stimulating odor, that it is going to do you good.  
 THOUSANDS of men and women, when the least little rheumatic "crick" assails them, have Sloan's Liniment handy to knock it out. Popular over a third of a century ago—far more popular today.  
 That's because it is so wonderfully helpful in relieving external aches and pains—sciatica, lumbago, backache, neuralgia, overstrained muscles, stiff joints, weather exposure results. A little is all that is necessary, for it soon penetrates without rubbing, to the sore spot. No muss, no stained skin.  
 All druggists—35c, 70c, \$1.40.
