MRS. THOMAS' WORD TO WOMEN

Tells of the Great Good Lydia E. Pinkham's Vegetable Compound Did For Her.

Morrise, Mich.—"About a year after my second baby was born I suffered with dizziness every morning so that I could hardly get around. I had heard from other women about your medicine and had read letters about it so my husband got me Lydia E. Pinkham's Vegetable Compound which I took according to directions and in a short time I was entirely relieved. I also took the Vegetable Compound before my last baby came and am thankful to say that it relieved my sufferings very much and I shall never be without it at such times. I have told others of its great worth and shall keep on telling it."—Mrs. E. THOMAS, Box 184, Morrise, Mich.

Women should not continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound. If you would like free confidential advice address Lydia E. Pinkham Medicine Co., Lynn, Mass.
