H. GUEST DIES OF HEART FAILURE

Unavoidable Accident Brings on Attack of Fatal Disease and Causes Death.

Small Boy Runs in Front of Car Driven By Mr. Guest Late Yesterday Afternoon.—Not Seriously Injured.

Herbert Guest, one of the best known residents of this city, passed away early this morning at his home on Winchester street. Heart failure caused his death. Mr. Guest has been in ill health for the past few years, and several months ago suffered a severe attack of heart failure. For the past few days he had felt unusually well, and yesterday drove his car for some time in the afternoon. An unavoidable accident occurred about four thirty, when little Richard Young, six year old son of Mr. and Mrs. H. M. Young, of this city, ran out in front of the car driven by Mr. Guest, and was knocked to the pavement. The shock of the accident brought on another attack of the fatal disease, and he passed away this morning. Lads, who were playing with Richard Young at the time of the accident say, that they called to him not to run out in the street when they saw the car coming, but he paid no heed and ran almost under the wheels. He was not seriously injured, although painfully cut and bruised.

AVIATION BONDS BLOCKED AGAIN

Petition Filed Calling For Referendum In November of 1922.

Only Way To Avoid 2-Year Delay Be To Secure Initiative Petition That Provides For A Special Election.

Requesting that the matter of the issuance of \$7,000 in bonds for the purchase of an aviation site, be referred to the people of the city at the next general election to be held in November of 1922, a referendum petition has been filed with the city recorder effectively blocking the council's attempt to issue the bonds voted by the people of Roseburg at the election held in the spring of the year. The petition was drawn and circulated by Councilman Al Creason, who has been in strict opposition to the aviation field and to the issuance of bonds at all times. It carries about 85 names which constitute the necessary number to force the desired action.

NEW DIRECTORS FOR RED CROSS

Local Chapter Chooses Executive Committee to Serve For Coming Year.

Membership Campaign Will Be Started Soon to Carry on Work in the Future.—Health Nurses Work Will Be Continued.

The annual election of the County Red Cross Chapter was held yesterday at the office of the secretary, C. S. Heinline, in the Douglas Bank Building and the executive committee selected. Some of the directors requested that they be relieved, having served for two or three years and consequently several new members were selected for the new executive committee which will be composed of A. A. Wilder, I. B. Riddle, S. D. Evans, W. H. Harris and Jack Pelton. This committee will meet within a few days and will elect a president, vice-president and treasurer and will also choose a committee to handle the 4th roll call campaign and also a team for the junior campaign in the schools. It will doubtless be decided that the work of the Public Health Instruction Nurses will be carried on as a great deal of good has resulted during the past summer from her activities. A questionnaire was mailed out recently from the local office to members of the classes which were conducted by Miss Emily H. Smith, the county nurse, asking them whether or not they favored a continuation of the work. In every case they reported that a great deal of good is being done by Miss Smith, and that they, personally, have derived a great deal of good from the instructions furnished them by her through the medium of the Red Cross organization. Miss Smith is now working in the Reedport, Gardiner, Scottsburg and Elkton vicinities and has large classes in each of these places. She teaches home sanitation, care of children, and various things pertaining to nursing such as would be of benefit in the ordinary home. As soon as she completes her work there she will go to the southern part of the county, where she will organize new classes. The campaign for new members this year will not be in the form of an intensive drive as formerly, but booths will be located at convenient places and all who care to subscribe to the work of the red cross, can do so. Last year over 3,000 members were enrolled and it is hoped that the next campaign will result in more members being obtained. The local chapter has been doing a fine work and last year demonstrated its worth during the flu epidemic, when it cared for a number of families which otherwise would have been very poorly cared for. There was also considerable work by the organization in securing financial aid for ex-service men, but lately there has been less of this and more attention given to vocational training. The red cross is assisting ex-service men in their vocational training applications and is finding a great deal of interest in this work.

HART IS AUTHOR. Few Roseburg people who are admirers of William S. Hart on the screen are aware of the fact that he is also an author of no mean ability as those who have read his book, "Pinto Ben," and his longer story for boys called "Injun and Whitney," will affirm. He sees the west thru the eyes of the Westerner with immense sympathy for the peculiar characteristics of the problem and a love for animals and children that amounts to passion. Wm. S. Hart and Lambert Hillier together wrote "The Toll Gate," which is coming to the Antlers tonight, and it is declared to be his best picture.
