Lyceum Course
Opens Wednesday

Roseburg's Lyceum course opens next Wednesday night at the high school. The music club has joined forces with the high school faculty and Student Body, for this season, and you are guaranteed four of the best entertainments ever offered in the city.

Portland is featuring two of the numbers Roseburg has secured. Albert Lindquist and Herbert Leon Cope will appear before capacity audiences there and we should not delay securing season tickets for Roseburg.

The first number of the series of the winter course is an all-string combination offering well known sketches as produced by standard symphonies and operas. Thurlow Luceance is one of the successful producers now giving his compositions to the public. Mr. Luceance has set to music hundreds of the most peculiar harmonies of the various western Indian tribes and southern negroes. He has lived among these people and has made valuable and lasting records of their tribal and clan music. The southern strange harmonies and minors, and these two people are now being looked to as furnishing the only real folk songs of this country.

MEAT MARKET ENTERED.
Prowlers last night broke into the Kohlhaagen meat market on Sheridan street. Entrance was made by ripping off a panel of screen on the door. There was no money in the cash register, which was opened, and it is not believed that anything was taken from the place.

PART OF
Eddy's Record

B. L. Eddy, republican candidate for re-election as state senator, has been active and influential in the senate along many important lines. When the bill for the first road bonds was being passed, he introduced and secured the adoption of a conservative amendment which Governor Whitcomb pronounced one of the best features of the bill. For the benefit of Douglas county Senator Eddy helped to secure a provision in the road legislation for the state to pay the full cost of paving the Pacific Highway, thus relieving our county of a great burden. At the special session of 1920 he introduced and secured the passage by House and Senate of a bill to relieve Douglas county from the heavy tax of 50 per cent of the cost of maintaining the Pacific highway, also a bill to make the road from Drain to Scottsburg a post road, in order to secure state and national aid in its construction. Senator Eddy has contributed other valuable features of our road legislation.

The demonstration farm now being installed in Douglas county by the Land Settlement Commission is based on legislation introduced by Senator Eddy. He secured the passage through the Senate of a bill to save to the state, for use of settlers, thousands of acres of former lake beds in Eastern Oregon. He introduced the measure passed at the 1919 session relating to the state board of health. He introduced the bill which became a law providing for the decision of cases where the Supreme Court is equally divided, by reason of a judge being disqualified or absent. One speech of his at the 1917 session saved the state treasury \$1500,000 in connection with a certain public land matter. His work on the bone-dry law of 1917 is well known. He secured amendments to the insurance code of 1917 benefitting policy-holders, stood against the flood of salary bills proposed in 1919, and gave special attention to reconstruction legislation in the interest of the returning soldier. He has been chairman of some of the most important committees in the senate, and his work has been repeatedly commended by the leading newspapers of the state, as well as by the people of Douglas county.

The people will remember him at the polls.

Prowler Frightened
By Girl's Scream

McMINNVILLE, Ore., Oct. 28.—Three McMinnville college girls, occupying a lower room of a residence on the campus used as a girl's dormitory, owe a fortunate escape to the chance awakening of one of their number, Miss Marie Erickson, who discovered a man standing in their room at 2 a. m. this morning while the stupefying odor of chloroform or ether rose from the well soaked pillows and blankets of the beds upon which the young girls were sleeping.

When the shouts of the young woman drove the man from the room, she aroused her companions, Dorothy Reichert, of Spokane and Elizabeth Vaughn, of Boise, Idaho, from the half stupor into which they had fallen. All three fled in their night clothes, making their exit through a window opening onto the front porch, and roused the occupants of two nearby dwellings. Six other girls in the upstairs rooms of the house, Ola Davis of Twin Falls Idaho, Eileen Risle, of Palouse, Wash., Cecil Graham, of Portland, Dorothy Copley, of Salem, Bertha Penney of Roseburg and Gray Light of Clonderville, were not aroused.

The body of Mrs. J. G. Hunter, who passed away in this city yesterday, will be shipped to Portland tonight for cremation. Mr. Hunter will accompany the body.

Sick Benefit
For Legion Men

TROY, N. Y., Oct. 29.—A sick benefit for all members of the Troy Citizens Corps post of the American Legion was established here at the last post meeting. This is believed to be the first time that any one of the almost ten thousand posts of the Legion has made use of this form of mutual aid.

Any member of the organization who becomes incapacitated in any way will share in the benefits. The amount to be paid will be increased as the fund for the purpose is enlarged. This same post has named a visiting committee to call on disabled men in the government sanatorium near by and to attend to any personal wants that the government is unable to supply.

HONORING VISITOR
Mrs. O. D. McAllister entertained a few friends Wednesday evening in honor of Miss Sedna Helman, who is visiting here with her sister, Mrs. F. F. Jones. The evening was spent in music and conversation. A dainty luncheon was served by the hostess. Those present were, Miss Sedna Helman, Mr. and Mrs. F. F. Jones, Mrs. O. W. Cordon, Mr. and Mrs. Roland Ague and Mr. and Mrs. Lyon Spencer.
