has been active and influential in the senate along many important lines. When the bill for the first road bonds was being passed, he introduced and secured the adoption of a conservative amendment which Governor Withycombs pronounced one of the best features of the hill. For the benefit of Bouglas county Senator Eddy helped to secure a provision in the road legislation for the state to pay the full cost of paving the Pacific Highway, thus relieving our county of a great furden. At the special reasion of 1920 he introduced and secured the passage by House and Senato of a bill to relieve Douglas county from the heavy tax of 50 per cent of the cost of maintaining the Facific highway, also a bill to make the road from Drain to Securstory a post road, in order to secure state and national aid in its construction. Senator Eddy has contributed other valuable features of our road legislation.

The demonstration farm now being installed in Douglas county by the Land Settlement Commission is based on legislation introduced by Senator Eddy. He secured the passage through the Senato of a bill to save to the state, for use of settlers, thousands of acrea of farmer take beds in Eastern Oregon. He introduced the measure passed at the 1919 session relating to the state board of health. He introduced the bill which became a law providing for the decision of cases where the Supreme Court is equally divided, by reason of a jodge being diagualified or absent. One speech of his at the 1917 session saved the wate treasury \$1500.00 in connection with a certain public land matter. His work on the bone-dry law of 1917 is well known. He secured amendments to the insurance code of 1917 benefitting policy-holders, stood against the flood of salary bilts proposed in 1919, and gave special attention to reconstruction legislation in the interest of the returning solder. He has been chairman of some of the most important committees in the senate, and his work has been repeatedly commended by the leading newspapers of the state, as well as by

### "Young Teddy" Makes The Same Request of You:

Heartily endorse camilidacy of Robert X. Stanfield for Senate. Apart from the fact that a Republican majority in the Senate is of vital importance just now, he is the type of man all the voters of Oregon should be proud to have represent them." THEODORE ROOSEVELT.

## Tatt Urges That You Vote for Stanfield:

Election of Harding is assured, but he can do little unless he has a local Republican majority in the Senate and House. I carnestly urge all who vote for Harding to vote for Stanfiel d."

### Hughes Believes in Stanfield:

"I cordially endorse the candidacy of Robert N. Stanfield for United States Senate. In addition to Mr. Stanfield's qualifications for that office, It is of very great importance that there should be a Republican majority in the Senate to support a Republican President and make possible an efficient and successful administration. I smoorely trust that the people of Oregon will not fail to elect Mr. Stanfield.
