HALLOWEEN DANCE AN ENJOYABLE AFFAIR.

The Aloha club Halloween dance held at the Macabee hall last night was one of the most enjoyable and best attended affairs of the season. Clever Halloween decorations were used in abundance and favor dances caused much merriment. One of the most ghostly dances was a moonlight waltz during which several realistic ghosts appeared from nowhere and weaved in and out among the dancers. Halloween favors were given as prizes in the prize dances, and other unique entertainment features were used.

Children's Eyes Should Be Examined!

YOU should know whether your children's eyes are normal, whether they see near and distant objects perfectly and whether school work and reading have strained their eyes. Poor eyesight will hold back their progress and make them seem dull. Do not let them be handicapped with poor vision, when a properly fitted pair of glasses will give them relief and make them on par with the others. We are fully equipped for examining eyes and fitting glasses.
