W. P. HUPP, of Akron, Ohio, who says he would not take one thousand dollars for the good Tanlac has done him. Declares his health has been fully restored and that he has gained over 20 pounds.

"I would not take one thousand dollars for the good Tanlac did me," said W. P. Hupp, for the past ten years a valued employee with the Firestone Tire and Rubber Co. "I will always owe a great debt of gratitude to Tanlac," he said, "because it restored my health completely after everything else failed, and I have gained over twenty pounds. I can now eat better sleep better and work better and I feel like a brand-new man."

"Before taking Tanlac I suffered night and day from indigestion and my stomach was terribly disordered. I was nervous and weak and could neither eat nor sleep to do any good. I seemed to be going down hill every day for six years. Finally, my condition became so rundown that I lost one or two days from work every week. But, now since my troubles have been overcome, I can now hold my own with any man at the plant, and often after working hard all day, I put in overtime at night and feel none the worse for it. I just seem to be full of new life and energy."

"After seeing the good Tanlac did me, my wife began taking the medicine and now she says she feels better than she has in years."

"Tanalac certainly beats anything I ever saw in my life."

Tanalac is sold in Roseburg by W. P. Chapman and by the leading druggists everywhere.
