

When The Wise Old Soothsayer

Asked the prospective bride
To gaze into the crystal ball
He knew it would produce
A reflex of her thoughts—psychological.

As a rule, the Eyes express
The soul and thoughts of a man—
Not weak, sick Eyes, but
Good, clear, crystal Eyes.
If your eyes show signs of weakness,
It would be well to consult
A competent Optometrist, who will
Eliminate the disorder and
Convert them into clear,
Sparkling fountains of expression.

Don't Spoil a Good Meal With a Bad Stomach

It is really a pitiful sight to see so many thousands of people worrying about what they can eat and what they can't eat.

Dyspepsia, they call themselves, but they stretch the imagination when they do it.

All these people need to make them healthy, cheerful and of sound appetite is a box of Mi-O-Na Tablets.

The stomach of a dyspeptic is overworked and run down. It needs help to digest the food, but more than that, it needs a prescription that will cleanse, renovate, strengthen and put elasticity into the stomach walls.

Mi-O-Na is the prescription that will do this and do it so promptly that you'll wonder why you didn't try it before.

It stops belching of gas and distress after eating in five minutes. It is undoubtedly the greatest stomach tonic ever given to the public by a specialist in stomach diseases.

Leading druggists everywhere sell Mi-O-Na on the money back plan.

FIGHT LATE YESTERDAY

A fistie encounter which caused a couple of married acquaintances occurred late yesterday evening in front of the High School building when P. L. McGrew and Donald Hunt, a local high school boy, "tangled." Hunt was with a party of boys coming from basketball practice at the high school building, and on passing McGrew and his wife, made a remark which McGrew construed as an insult to his wife and demanded an apology. Hot words were passed and a few blows were exchanged before the two could be parted. An "official investigation" was scheduled in the police court this afternoon.
