Lovers of the new and unique in music are to be afforded an opportunity of being satisfied or all time in the present plans of the Jazz-O-Four, Roseburg's Dance orchestra, are completed. By arrangement with several of the music publishers of the east, they are receiving daily two to five new hits, just off the press. These hits are not on sale in any of the music stores of the coast for nearly two weeks after they are received by the orchestra, thus the patrons of the dances are assured of the latest in dance music. They have about twenty new ones for dancing tonight.

Myrtle Creek High School News Notes

By Lona Anlauf. The Myrtle Creek high school is a live place this year. More "pep" and school spirit have already been displayed than have been in evidence in the preceding five or ten years combined. This state of affairs is in a large part due to our new principal, F. C. Kellogg, who is taking a great interest and trying to get M.

C. H. S. on the map. Several new improvements have been introduced and Monday an election was held in an effort to procure a play shed for use in rainy weather. A structure 80x50 feet was proposed, at an approximate cost of \$1500, to be raised by a two mill tax. This shed is very badly needed, and although it was defeated, 49 to 39, we have not lost all hope for the future. However, in the meantime we are forced to give up our hope of a basketball team. This we regret very much.

We will need to fall back on soccer football at the only winter sport. The soccer football team has elected James Rice captain, and Dell Wood manager. The school campus was unfit for football on account of the slick condition of the field; for this season goals have been set up in the field across the road. The first game was played with the Riddle team on November 19. Neither team had ever played a match game before this, and there was a large crowd and much excitement and "rooting." The score was 3 to 1 in favor of Riddle. On Thanksgiving day a second

game was played between the same teams. We sold tickets before this game at 25 cents, and \$35.25 was raised between the two schools and divided evenly. Mr. Harkness, of Glendale, refereed the game. The Myrtle Creek team was defeated again by a score of 1 to 0. Their work, however, cannot be judged by this, inasmuch as they were outweighed by the Riddle team on an average of 10 to 15 pounds to the man.

Next Saturday at 2:30 p. m. we expect to play our first game with Roseburg at that city.

The student body has organized with Agnes Knight as president, Lona Anlauf vice-president, Lois Dalley secretary, and James Rice treasurer. A constitution will be adopted this week.

This year for the first time the student body is planning to put out an annual of 100 pages, with appropriate cuts. The approximate cost will be \$500, and the students and teachers are both striving to earn the required amount. The officers elected by the student body for the

annual are: Editor-in-chief, Edna Puckett; assistant editor, Agnes Knight; general manager, Joe Wood. A box social was given Friday, Nov. 26th, for the purpose of raising part of the money towards the annual. A program given by the students preceded the auction of the boxes, 26 in all, which brought a sum of \$123.50. The expense of the night was one dollar, which leaves the student body a net of \$122.50 as a "starter."

A high school orchestra has been organized with the following personnel: Tuba, Joe Rice; piano, Wm. Henalee; violin, Harry Thibault; Ernest Wardrip; clarinet, Wm. Wood; drums, Donald Thibault; Alva Kirby; cello, Carl Jackson; cornet, James Clark and James Rice; alto, Orion Kirby; saxophone, several ear-splitting solos have already been heard, and a greens is reported.

The M. C. H. S. expects to have a busy year and we hope to be enough to tell you each week. Make our correspondence regular.
