

Church Social Greatly Enjoyed

A very unique Christmas social was held last night by the Endeavorers of the Christian church in the church parlors. The room was beautifully decorated, stars predominately. A Christmas tree was decorated,

and back of that tree was a beautifully lighted cross. With the other lights subdued, it gave a beautiful effect. After many of the ordinary games, the young people had arranged a big pan pie made of sawdust. From this extended numerous strings. Each person present pulled a string and secured a number. On the Christmas tree was a corresponding number with a present. Each person receiving something, some of

the presents being very laughable. At the close sacks of candy and popcorn balls were given to each one. It was one of the most pleasant evenings the young people have spent together in the social occasions.

THE HOUSE FOR THE FUTURE

G. I. HILL, of Brattleboro, Vt., who says he never felt better in his life than he does now although before taking Tanlac he was in such a run down condition he wasn't able to do a day's work for three months. Says he has gained thirty pounds.

"It may sound unreasonable, but when I began taking Tanlac, I only weighed 114 pounds and had not been able to work for over three months. Today I have as much strength and energy as I ever had, and have actually gained 30 pounds in weight. In fact, I never felt better in my life, and I owe the remarkable change to Tanlac and Tanlac alone.

"To tell you the truth, I don't know what would have become of me if it hadn't been for this medicine, for I had just about lost my health completely, and the treatment I was taking was doing me no good. In fact, I hardly had enough strength at times to walk across the room.

"My principal trouble was indigestion, and I also suffered from catarrh and nervousness. My stomach was in such a weakened condition that I rarely ate any breakfast and had to live on a very restricted diet.

"After reading about Tanlac, I decided one day to give it a trial, and it seemed to suit my case perfectly, for in only a short time I was able to go back to work. I just want to be eating all the time now, and everything—even onions and pork—seem to agree with me perfectly. I shall always praise Tanlac."

The above statement was made recently by G. I. Hill, a well known and highly respected citizen of Brattleboro, Vt.

Tanlac is sold in Roseburg by W. F. Chapman; in Dixonville by Thos. Hatfield and by leading druggists everywhere.
