SCOUT NEWS.

Here are a few lines of what Troop one in Scoutdom did this week at their regular meeting last Monday evening. About fifty boys reported for the "feed" and at 7 o'clock Troop one was called to order. This meeting proved to be one of the largest and most exciting held by Troop one. For the first time we had a full troop meeting numbering 32 boys present, which number constitutes a full Scout troop.

The meeting opened with roll call, followed by a playette given by the Bear Patrol. The scene was laid in Mexico and the characters appeared in full Mexican costume, and the performance was well given by the boys of this patrol. Rusty Irwin also furnished us with a chalk talk which contained some very clever cartoons.

The Scoutmaster then started something by making mention of a summer camp. An argument was then in full swing between two factions, one wanting a trip to the coast and the others wanted a "regular camp" in or about Cow creek canyon. A vote was taken and the Cow creek canyon site won by about three to one. It was also noticed that about 20 Troop one boys are planning and hoping to attend the Scout summer camp. Every boy attending this camp from Troop one must have passed his tenderfoot tests. The boys also decided that the regulation uniform for the summer would be without coats, and as fall arrived they will add the coat to the uniform.

About eight of the boys will take their pacing test this week, that of traveling a mile in twelve minutes.

Our next meeting will be Monday, March 14, at 7 p. m. sharp, at the armory. All Troop one men are requested to be present and any other lads who are desirous of becoming Scouts. Everybody welcome.
