LADIES' SUITS New Crisp Spring Styles

We have just received a new line of specially designed fancy models by one of the largest designers of ladies' apparel in New York City.

This line has been produced to meet the demand of particular spring shoppers who desire unusual quality and style. They are without doubt the most wonderful creations shown this season. Our New York buyers have secured several thousand of these splendid garments at a price below the present market, and we have marked them on a very close margin of profit which will give every woman an opportunity to secure one at her own price. We are particularly desirous that every lady in Roseburg see them; whether you wish to buy or not, it will be well worth your time to inspect this wonderful collection of suits, and our sales ladies will be glad for the opportunity to show you.

They represent the highest possible value at the lowest possible price. We invite you to come in and see them. A small showing will be on display in our windows. Displays will be changed daily.
