

ADVICE TO LOVELORN AND OTHERS

BY MRS. ELLISBURY.

A Daily Column of Questions and Answers Conducted by a Woman Who Knows. Address your Letters to Mrs. Ellisbury, Care Roseburg News-Review.

Dear Mrs. Ellisbury: I became engaged to a young man some three months ago, but we have broken our engagement through mutual agreement. Should I return gifts which I have accepted from him? Should I return them personally if I have an opportunity? What shall I say to him?

BLUEBELL.

A. Expensive gifts such as an engagement ring or other jewelry should be returned. Gifts such as a book, etc., should be kept as a memento. As you have broken your engagement I judge that you are nothing whatever to do with each other now. In that case it would be best for you to mail him a package of the gifts. It would not be necessary in that case to write anything at all.

Dear Mrs. Ellisbury: What is the geological survey estimate of the United States? Between 20,000 and 35,000.

Dear Mrs. Ellisbury: I am a boy 17 years old and would like very much to learn to play the violin. Am I too old to start?

A. You are not too old to start to learn to play a violin.

Dear Mrs. Ellisbury: Is there a flower known as the "Rose of Hell"?

A. The Rose of Hell is a flower that grows on a tree of great size and strength growing on the sides of Mount Agua, a high peak near the base of Pico de Orizaba, in Guatemala, Central America. The blossom measures about 12 inches across, and resembles its name from the Indians.

who believe that the crater of the volcano is the entrance to hell and that the flower is a native of the regions below.

Dear Mrs. Ellisbury: How did William F. Cody get the name of "Buffalo Bill"?

A. In 1867 Cody entered into a contract with the Kansas Pacific Railway, then building, at \$500 a month, to deliver all the buffalo meat required for food for the laborers employed. In 18 months he killed 4280 buffalos, earning the title of "Buffalo Bill."

Dear Mrs. Ellisbury: I am a girl of 16 years, and am in love with a very nice boy, but my mother objects to his calling on me. All my family like him except my mother. We didn't intend to get married yet but we hope to some day. Shouldn't my mother let him call?

A. A girl of your age should follow the advice of her mother. You are too young to be considering marriage at all or to go out more than occasionally with any boys. You certainly should not be accepting the invitations of only one. You may find that the boy whom you now believe you love, is not at all the sort of man you can admire at 20. So forget about the responsibilities of love and marriage and take this time for a happy, care-free girlhood.

Dear Mrs. Ellisbury: What race has the greatest range of human vision?

A. The Peruvian Indians are credited with having the greatest range of vision of all races. Cases have been recorded of their distinguishing human beings 18 miles away.

A baseball game between teams representing the high school and the north side yesterday afternoon resulted in a tie score of 2 to 2. The game was called on account of darkness.
