HERE'S ONE PICTURE THAT'S DIFFERENT—WORTH THE TIME

"Heliotrope"

The story of a convict who obtained a pardon, frustrated the schemes of a villain, saved his daughter's happiness—All by a whiff of Heliotrope. The soul of a man who was great even behind prison bars.

Our "HELIO TROPE" Special

It pays in the first place to make sure that the battery you put your money down for has the "Thread Rubber" Trade Mark stamped on the side. Then bring that battery here to have it registered, and after that make a point of stopping in once in two weeks for inspection and test. You cannot keep on getting first class service even from a Still Better Willard unless you keep it charged and put in water when needed.
