FLAG DAY OBSERVED IN ROSEBURG BY PATRIOTIC AND AN APPROPRIATE PROGRAM

Local Elks Lodge Assisted by Patriotic and Fraternal Organizations of the City Sponsor Annual Observance of Flag Day—Flags Are Flown.

All Roseburg joined today with the Elks lodge and other patriotic organizations of Roseburg, in the observance of flag day. The program given today was sponsored by the local lodge which was assisted by the following: The Daughters of the American Revolution, the Ladies Auxiliary of the American Legion and other organizations. In compliance with the requests made by the lodge, and American Legion, addresses and business houses alike were displayed on all sides. The city carried a flag of tribute display. A large number of automobiles were also seen carrying flags in honor of the occasion. At 2 o'clock was held the parade. The G. A. R., W. R. C., Daughters of the American Revolution, Red Cross and the auxiliary were all represented together with a very large number of Elks from the local lodge. The other fraternal organizations were well represented. The Douglas county band appeared in the new uniforms and presented a very pleasing appearance. The band has been working hard during the past few weeks and has been giving very frequent rehearsals and its improvement is noticed in playing. The local machine gun company met out and received a hearty welcome from the citizens of the city. The national guard company has been doing a splendid job of training and the parade which traversed the main streets of the city, a very delightful program was given.

First Offer Is Made On Prunes

The first hint of the market price on prunes for this season is contained in an offer made to Loyal V. Emery of 8 cents base with a straight quarter drop. The cent rate is made on a basis of 30-35 and the drop on each small size is a quarter cent. This is just half the price that was being offered last year. Many growers last season, however, refused to accept 16 cents, and the price then dropped several cents and many were unable to dispose of their crops. It is believed this season that the price will go slightly higher than this initial offering. It is expected that the average price will be at least 10 cents or over as the market at the present time is fairly strong. There is a big holdover from last season, but with a failure of the prune crop over all of the northwest with the exception of Douglas county, it is expected that the price will be fairly good.

Columbia River Reported Falling

PORTLAND, Ore., June 14.—River was reported to be falling here today. The forecast is that they will continue to fall during the next three days.

Delinquents In Fines to Go to Jail

Papers were issued today committing Steve Pearson, O. D. Welch and E. B. Estes to the county jail. Pearson was fined recently by Justice of the Peace George Jones after he had been found guilty on two counts, one of illegal fishing and the other of selling salmon illegally. He paid the fine on one count, being given until June 13 to do so. When he appeared to pay that amount he stated that his attorney had informed him that it was not necessary to pay the other fine. O. D. Welch and E. B. Estes were each fined \$25 for operating truck trailers without a license. They were given until the 10th of the month to pay their fines. Because of these delinquents Judge Jones ordered the three men placed in the county jail until the amount is forthcoming or the fine paid in confinement.

STANDARDIZES SCHOOL

County School Superintendent O. C. Brown and wife, spent yesterday at the Hayhurst Valley school, where the graduation exercises were held. Five eighth grade pupils were given diplomas, appropriate exercises being held in connection. The school was given a standard certificate, having reached the requirements for standardization. A fine picnic and basket dinner was enjoyed.

All American Ships May Get Toll Exemption

(News-Review Washington Bureau.) WASHINGTON, June 14.—Free tolls for all coastwise ships through the Panama canal are certain and the Borah bill reported favorably by the senate interoceanic canal committee may be amended either on the floor of the senate or in the house to include all American vessels using the canal. There is apparently no opposition to the coastwise waiver of tolls and it is believed here there will be little practical opposition to relieving all American ships of tolls if international complications can be avoided. The free tolls legislation will be pushed to an early vote in both houses.

LEAVES FOR O. A. C.

A number of industrial club members left yesterday afternoon for Corvallis, where they will attend the Farmers' Short Course. These members represent the different industrial clubs of this district, and will attend the college course for the next two weeks. Those leaving here yesterday under the supervision of Miss Retta Meredith, were Bertha Kohlhaagen, Mary Hodges, Ruth Rodley, Thomas Rodley, Helen Falbe, Laverna Morris, Esther Anderson, Ross Bursick, Edward Cachelus. They are all intensely interested in their work and no doubt the two weeks' training will prove entertaining, as well as educational.

JUBILEE TO BE STAGED JUNE 24

Supporters of Bond and Bonus Bills Will Hold Monster Celebration June 24. OFFICIALS ARE COMING

Members of State Highway Commission To Be Guests of Honor—Country-Wide Organizations Enticing in Forming Plans.

A big banquet and program to celebrate the passage of the bonus bill and the county road bonds will be staged at the M. E. church Friday night, June 24. The church is being arranged jointly by the Chamber of Commerce, American Legion, Realty Board and Farm Bureau. Every resident of Douglas county is invited and urged to be in attendance and meet the members of the State Highway commission who are to be the guests of honor.

Peace Question Causing Trouble

(By United Press.) WASHINGTON, June 14.—Republican leaders of the senate today faced the problem of making peace with Germany and keeping peace in their own political ranks, following the house passage yesterday of the Porter peace resolution, rejecting the Knox resolution which passed the senate. The senate insists upon the Porter measure, and the house insists upon the Porter measure. There is great fear of a deadlock threatening indefinite delay in the restoration of the peace status.

Quick Action on Bonus Fails

(By United Press.) WASHINGTON, June 14.—Efforts to rush the bonus bill into the senate to get quick action failed when the members of the senate finance committee refused an agreement to such quick action. This forced the postponement of the committee discussion until Monday.

Burglars Shoot Night Watchman

(By Associated Press.) SPOKANE, Wash., June 14.—Muelica Johnson, night watchman at Waverly, twenty-five miles south of here, was shot to death last night by burglars he discovered in the act of robbing a garage. The robbers also looted a hardware store and a pool hall here.

Definite Clew Received Today

(By United Press.) PORTLAND, June 14.—An apparently definite clew to Roy Gardner, escaped mail bandit, was phoned today from Castle Rock. A man with large gold teeth entered a restaurant, ordered food and saw a man on the sidewalk watching him and left the food unattended and hurriedly left the eating house. Sheriff Hoggatt left at once in pursuit. The man answered the description of Gardner.

Stolen Silverware Has Been Discovered

(By Associated Press.) CLEVELAND, June 14.—Silverware, declared by Mrs. Eva Catherine Kaber to have been stolen the night her husband, Daniel F. Kaber, was murdered, is in the possession of County Prosecutor Stanton. It was recovered last night from the home of a woman fortune teller who said it was placed there by Mrs. Kaber three days before Kaber was stabbed to death by the alleged hired assassin.

Belfast Scene Much Rioting

(By Associated Press.) BELFAST, June 14.—Rioting, accompanied by revolver and rifle firing, was renewed today. It is believed the rioting was organized by the republicans to prevent the visit of King George on June 23 to attend the state opening of the Ulster parliament.

Labor Leader May Be Robber

(By Associated Press.) CHICAGO, June 14.—Timothy D. (Big Tim) Murphy, labor leader, former member of the state legislature, made an alleged confession to the postal authorities that he was implicated in the \$350,000 mail robbery at the Dearborn street railway station on April 6th. Murphy's arrest followed a raid last night on the home of his father-in-law, William Diggs, where the postal inspectors assert they found \$98,600 in Liberty bonds and \$14,300 cash in a trunk. Vincenzo Cosmano, Murphy's lieutenant in labor circles, is being detained for questioning. Ralph Teter, railway mail clerk, is said to have admitted he received \$11,000 as his share of the proceeds for the robbery.

Glendale Druggist Pleads Not Guilty

J. B. Clay, Glendale druggist, who was arrested yesterday charged with unlawful possession of intoxicating liquor, appeared in the local justice court last night and entered a plea of not guilty. Because of the absence of District Attorney Neuner no date was set for the trial. He was released on his own recognizance by Justice of the Peace Jones and the date for the trial will be set later.

Running Gun Fight In Business Section

(By United Press.) KANSAS CITY, June 14.—One bandit was shot and one killed and another captured in a running revolver fight in the heart of the Kansas City business district. One bystander was struck by a stray bullet. Hundreds of persons enroute to lunch dodged the whizzing pellets.

Oil Rules When Strike Dethrones Old King Coal

(By LLOYD ALLEN (United Press Staff Correspondent.) LONDON, June 14.—King Oil has suddenly come in for widespread popularity here and King Coal's dictatorship over the British industry is a thing of the past, according to expert opinion. England's great coal stoppage was responsible for popularizing fuel oil. All over the country factories, railways, power plants, hospitals, turned to foreign-produced fuel oil the minute their coal bins were emptied, when 1,200,000 British miners refused to accept drastic wage reductions and stopped work. Fuel oil—one of America's favorite fuels but hitherto virtually unknown in England, has come to stay, according to authoritative prediction. British public services and industry will never again be wholly dependent on coal. Unacquainted with the simplicity of installing oil burners, the British people were rather astonished to learn that immovable power plants could, in an emergency, be converted in a very few days from coal to oil. That's just what happened. When the coal pinch caused widespread embarrassment, fuel oil firms were consulted and assured all inquirers big stocks of fuel oil were being held in the country and quick deliveries could be made from abroad to replenish the great tanks. Large stocks of oil burning equipment were also at hand. England's general public was highly gratified. Presence of fuel oil means continuation of great lighting plants and power plants providing juice for street car systems.

MACHINE GUN COMPANY LEAVING

National Guard Organization Entains Tonight For Camp Lewis.

TO WORK ON RANGE

Greater Part of Fifteen Days of Intensive Training Will Be Spent in Target Practice With the Machine Guns.

Company D, 5th Infantry, O. N. G., will entrain tonight at 11 o'clock for a fifteen days encampment at Camp Lewis. The Roseburg machine gun company has been doing a great deal of extra work in preparing for this trip and the organization is now in fine shape. The company was extremely fortunate in having as its officers and non-commissioned officers men who have had a great deal of real service, and with this advantage the organization has rapidly rounded into shape and has quickly assumed the appearance of a company with a long record of service. The boys appeared on parade this afternoon in connection with the Flag Day celebration and made a very imposing appearance. They will meet at the armory at 7:30 tonight and at 11 o'clock will board a special train which is being operated as a second section of number 54. This train will pick up the National Guard companies along the line through the state. The Ashland and Medford companies will be on the train when it reaches this city. The boys will go direct to Camp Lewis, where fifteen days will be spent on the range where the boys will be given actual practice in handling the machine gun. The Roseburg companies have always maintained records as marksmen and have at all times ranked among the foremost in the state in ability to handle small arms and artillery of all sizes, and the local company is out to maintain that record. Five days will be spent in the study of the nomenclature of the machine gun and in infantry drill and tactics. The company now numbers 77 men and it is expected that about 65 of this number will go to camp.

Lucille Brown Weds In Portland

Word has been received here announcing the marriage of Miss Lucille M. Brown, of this city to Henry J. Prairie, of Portland. The couple were married in Portland yesterday. Miss Brown has been employed as bookkeeper at Everybody's Exchange during the past winter, and is quite well known, having made her home here for a number of years. Mr. Prairie was manager of the Wells Fargo office here, prior to leaving for Portland several years ago. Both parties have a host of friends in this city and Portland who join in wishing them happiness.

WESTERN POSSIBILITIES OF IRRIGATION; DATA GIVEN TO WASHINGTON OFFICIALS

Reclamation Is Big Need—Beneficial Changes Brought About Through Assurance of Crops Are Revived Before Committee.

(News-Review Washington Bureau.) WASHINGTON, June 14.—In discussing Oregon possibilities in increased prosperity before hearings of the house committee on irrigation, W. D. B. Dodson, general manager of the Portland Chamber of Commerce, produced some interesting figures as to the need of reclamation for the western states and particularly with reference to Oregon. Frank W. Robinson, for many years in Portland and Oregon and general freight traffic manager of the Union Pacific at Omaha and H. H. Adams, vice president of the Union Pacific, also told the committee of the need for the reclamation of arid lands in the west. Mr. Robinson took four counties in Idaho and compared them. Two were irrigated lands and two were fine non-irrigated lands. The increased standard of citizenship with growth of population and progressive spirit in the irrigated counties were a startling fact.

Total of Election Measures Given

Government to "Can" Employees

(By Associated Press.) WASHINGTON, June 14.—Government employees who actively oppose the government's reorganization plan will be dismissed, the president and cabinet decided today, as some of the employees are spreading propaganda against the reorganization policy.

CHILD DEAD

The infant child of Mr. and Mrs. Ray Clark died last night. Mr. and Mrs. Clark have the sympathy of the entire community in their bereavement.

LEGION HEAD CHOSEN

(By Associated Press.) INDIANAPOLIS, June 14.—John G. Emery, of Grand Rapids, Michigan, was today elected national commander of the American Legion by the executive committee. He succeeds the late Col. Galtbraith.

FUNERAL NOTICE

Funeral services will be held for Mrs. D. A. Owen, of Gresham, on Wednesday at 2 p. m. at the Roseburg undertaking parlors. Rev. H. L. Caldwell of the First Baptist church, will have charge of the services.

FUNERAL HELD TODAY

The funeral services of Colleen Bond Fitzgerald were held today at 11:30 from the Roman Catholic church, with Father Sharkey officiating. Many sorrowing friends were present, and most beautiful floral offerings were received. Interment followed at the Looking Glass cemetery.

Gary's Speech Answered By Union

(By United Press.) DENVER, June 14.—Labor leaders today cited working conditions in the steel mills, replying to the attacks of Elbert H. Gary, head of the United States Steel corporation. Frank Morrison, secretary of the Federation, declared that more credence should be placed in Gary's remarks than in his own. He let them work eight hours instead of twelve, and pay good wages instead of cutting them at the first opportunity. "Gary cannot be very delusions of the men's welfare," declared Morrison, answering the Gary speech before the students of the University of Denver, "when he forces them to work long hours and cuts wages."
