Club Completes Successful Year

The Olalla sewing club held an achievement day picnic last Thursday, upon the occasion of the completion of the year's work. This club is the second in the county to complete its work for the year. The club has for the last year been under the leadership of Mrs. Earl Ollivant, and a large measure of the club's success is due to her efforts. The members of the club are: Helen Sheppard, Maurine Ireland, Jessie Pierce, Norma Byron, Nell Ollivant, May Huntley, Dorothy Huntley, Neta Wells, Opal Pierce.

Radio Plant to Be at Wolf Creek

The government radio station, which is to be located in the Umpqua forest, to establish communication between the ground and air forces patrolling the forests for fire prevention purposes, will be located at Wolf Creek, instead of Big Canas, where it was originally expected to be placed. The type of apparatus used requires a set of storage batteries which must be charged at very frequent intervals. This makes necessary the location of the station at a point convenient to a traveled road. The equipment was sent to the Wolf Creek station yesterday and a force of men will leave Roseburg tomorrow to install the apparatus and get it ready for operation.

Navajo Blankets to Be Cheaper

(By Associated Press.) RAMAH, N. M., July 5.—Navajo blankets are going to be cheaper in the near future, because of an economic pinch among the Navajo Indians, according to present indications, the low price of sheep and wool being hard on the Indians who subsist chiefly on sheep. With the market for wool weak, the Indians are converting their wool into blankets, creating an abnormal supply, which is driving the price down. The situation is expected to ease up in the fall, when the plow nut crop is harvested.

Motometers Stolen Off Cars at Riddle

Five Motometers, worth \$12 each were stolen last night at Riddle, according to reports made to the local officers. The Motometer on the car owned by R. D. Williams was taken, as well as off four cars standing nearby. The work is believed to have been done by a gang of organized boys. The officers are investigating and if the guilty parties are apprehended they will be strictly dealt with.

Douglas County Unites In Celebration

(Continue from page one.)

Drain and Roseburg people as well as those from Yoncalla, Sutherlin, and Oakland. Associate Justice George M. Brown was the chief speaker and at the morning program made a fine talk. In the afternoon there was a fine sporting card and at night a liberal showing of fireworks. A dance concluded the day's entertainment.

Gilde celebrated in a beautiful grove about a mile up Little River. There was a musical and literary program in the morning, the songs and talks being of a patriotic nature, and at noon a basket dinner was served, the entire community sitting down at long tables together. In the afternoon there was a ball game between Gilde and Ten Mile and there were fireworks in the evening.

The celebration at Reedsport was along the same line, being given under the auspices of the Moose lodge of that place. Reedsport drew a large crowd from Gardiner and Smith River, as well as the surrounding agricultural district. The water sports and motor boat racing at Reedsport were especially interesting.

SEVEN PEOPLE ARE INJURED.

NORTH BEND, Or., July 4.—Seven persons were injured, more or less seriously, on the county paved highway this morning, while en route to the Myrtle Point celebration, when the front wheels of Fred Adams' automobile buckled and the car turned a somersault. The injured were taken to North Bend for treatment.

One of Adams' ears was torn off and he suffered other hurts; Hazel Davis, 11, received a concussion of the brain; Mrs. Kates Adams suffered two broken ribs, and part of the skin was torn from her arm; Mrs. P. P. Davis, Irene Davis, Mrs. Fred

Adams and Mrs. Maude Davis received cuts which needed sewing. All were residents of this city.

Large Shipment Fish Fry Received

A large shipment of trout fry was brought to Roseburg the latter part of last week to distribute among the tributary Umpqua streams. The shipment was sent by the state fish commission from the McKenzie river hatchery, and was brought by truck from there by J. C. Craig. S. B. Crouch of this city will have charge of their distribution from here. On Saturday 18,000 of the cut throat variety were placed in a small mountain stream above Cleveland. Mr. Crouch stated that they were all in fine condition and that probably not over 25 will be lost. According to Mr. Crouch the fry were in better condition than any ever sent to this city before and will do much toward restocking the streams in this county.

Between 30,000 and 50,000 will be taken to Hinkle creek and the Calapooia above Sutherlin tomorrow.

LAUNCH DESTROYED BY FIRE

NORTH BEND, Or., July 4.—Seven men and boys on Ten Mile lake escaped from a burning launch Saturday night only because they had a skiff on board, and by its assistance the swimmers were able to keep those afloat who could not swim.

The launch engine stopped, and in looking to learn the cause, a lighted match fell into the engine oil. In a moment the whole craft was on fire and the occupants deserted it. They were half a mile from shore when forced to seek safety in the water.

They landed on a brush covered point and were picked up soon by a boatman who had seen the incident on the lake.
