EXCITEMENT RUNS HIGH.

Hundreds of people congregated on the streets of the city today and discussed the murder case. New theories, rumors and facts were mingled and garbled. Early this morning the rumor was spread broadcast over the city to the effect that Dr. Brumfield had surrendered in Portland. This was absolutely false and such rumors cause the officers a great deal of trouble and interfere with the search being systematically carried on. The News-Review office was the center of information today. Phone calls from every section of the county were received and many people anxiously awaited the first street edition of the paper. All new developments of the case will be bulletined on the windows tonight.

EARLY STORY PAGE THREE.

The story which appeared in the extra edition of the News-Review, placed on the street at 10 o'clock last night, following the issuance of a warrant by Sheriff Starmer for Dr. Brumfield's arrest, appears on page three of this edition. The story gives the complete details of the alleged murder as outlined by the officials.

FOREMAN OF LUMBER CO.

WAS ABOUT TO QUIT HIS
REGULAR OCCUPATION

"I'm now going on seventy years of age, but there's not a man on the yards who feels better at the end of the day's work than I do," said Samuel S. Apple, well-known yard foreman for the New Mexico Lumber Co., residing at 464 East Clay St., Portland, Ore., while relating his experience with Tanlac recently.

"For the past three years, that is until I got Tanlac, my stomach has given me a great deal of trouble. I got to where practically everything I ate seemed to collect in a lump like lead right in the pit of my stomach, gas would form and bloat me up as tight as a drum and cramping pains would nearly double me up. My back hurt so bad I just could drag through the day and then when I got home I couldn't eat a bit of supper, and had to crawl right into bed.

"Well, I thought I would have to give up work, but I heard so much about Tanlac I got a bottle and it's simply made a new man out of me. I've taken five bottles of this medicine and am eating big meals of substantial food like I used to eat years ago and never have a bit of trouble afterwards. I'm rid of all those aches and pains, have gained ten pounds in weight and all my old time strength and energy have come back to me. In fact I feel fully ten years younger and I hope my statement may cause others to take Tanlac, for I believe it will help them just like it did me."

Tanlac is sold in Roseburg by the W. F. Chapman Pharmacy.

Espee Team

Loses to Presbys

(By C. H. Hilton.)

A very interesting ball game was played last night at the ball ground between the Espee and Baptist. The game was more interesting than the score shows, because the boys were on their toes all the time, and playing hard until the last man was out. Cedarstrom being back in the game strengthened the Rails. Cedarstrom pitched the last four innings, and after he got warmed up the batting was light, though he was hit in the first inning he pitched. McClintock southpawed for the Baptists, and he pitched a beautiful game, and for once the Baptist boys did not have a blowup inning. John McClintock made the second home run of the season. He hit a high fly into right just back of first that was good for three bags, but the ball was lost in the grass, and he made the circuit, and is entitled to a pair of socks for the hit. Cedar also drove out a beautiful three base hit his first time up, bringing across the first score for his team. First inning. Carl Black struck out, Malcolm out Garoutte to Althaus. Davis safe on an error. Black also safe on an error. Malcolm on third. Pickens struck out. No hits, no runs, no errors. S. P. Cedar hit for three bases. Althaus sacrificed. Cedar scored. Reibel singled, but out stealing second. Bowman struck out. One run, 2 hits, no errors. Second inning. J. McClintock singled, Singleton singled. Mc on third, Stephenson out to pitcher to first. McClintock. Singleton on third. L. McClintock out to Grimm to Althaus, Singleton scoring. Carl Black singled. Malcolm hit a long fly to left. Johnny Lloyd dropped it, and all hands safe. Davis out, Grimm to Althaus. Three runs, 3 hits, 2 errors. S. P. Grimm singled and stole. Hall out. Stephenson to Pickens, Grimm on third. Garoutte got base on balls, and went to second. Lloyd hit with ball, bases full. Cedar safe on Stephenson's error. Grim scored and Garoutte out trying to score. Stephenson. Black. One run, one hit, one error. Third, Baptist flew to Wall. Pickens singled. J. McClintock hit to right for a home run. Singleton got bases on balls and scored. Stephenson singled. Singleton scoring. McClintock out. Garoutte to Althaus; Stephenson on third; Carl Black hit slow roller, Cedar fumbled and Black was safe. Stephenson scoring. Malcolm struck out, four runs, three hits, one error; S. P. Althaus out, McClintock to Pickens. Reibel hit safely and reached second, caught off base by snap throw of McClintock and out. Bowman out to Singleton. No runs, one hit, no errors. Fourth, Davis struck out. Cecil Black a base on balls. Pickens singled. Black on third; McClintock singled. Black scored; Pickens on third; Singleton a base on balls; Stephenson singled; Pickens scored; McClintock struck out; Black hit; no runs, no errors; S. P. Grimm and Hall struck out. Garoutte out to Stephenson. Fifth, Baptist; Malcolm and Davis both out from Cedar to Althaus; Cecil Black flew to Hall; S. P. Lloyd flew to J. McClintock; Burt out to Singleton to Pickens. Cedar singled; Althaus out to McClintock; no runs, one hit, no errors. Sixth, Baptist; Pickens out Grimm to Althaus; a fast play. J. McClintock a base on balls; Singleton flew out to Hall; Stephenson flew out to Grimm; no runs; no hits, no errors. S. P. Reibel safe on an error; stole second. Bowman out Malcolm to Pickens; Reibel on third; Grimm out Malcolm to Pickens; Reibel scored; Hall safe on an error; went to second, and Black made wild throw trying to catch him. Hall started for third, and was thrown out; no runs, no hits, two errors.

The score by innings:
Baptist 1 3 4 2 0 0 9 9 2
S. P. 1 1 0 0 0 1 3 8 4
Home run, J. McClintock; three-base hit, Cedarstrom; struck out by McClintock, 4; Burt 3; Cedar 3; hit with ball, Mac, 1; base on balls; Mac 1; Cedar 4; umpire Andy Matthews.

The winning of this game by the Baptist makes them a tie in percentage with the Presbyterians with 667 each. The Christians and Presbyterians play tonight and much will hinge on this game.

Work on Plant

In Operation

C. P. Yundt, general contractor of the Central Heating plant at the Oregon Soldiers Home, states that the work on the plant is in full operation at the present time, and promises the completion of the work by the first signs of cold weather. This heating plant uses the forced hot water system, which has given entire satisfaction in different localities. The hot water is forced into the large pipes to the different buildings by means of huge pumps. Contractor Yundt states that he has about 16 men on the work at this time.
