Day School At Johns Ranch

First annual "group gathering" conducted under the auspices of the American Sunday School Union at the Cow Creek district, held at the Johns' ranch, July 24th. This will be an annual meeting, beginning at 10 a. m., continuing into late afternoon. The district is made up of Sunday schools organized in the Cow Creek, but co-operation is given by Glendale, Riddle and other churches, as well as from Roseburg.

A committee has been appointed to arrange seats and platform and everything in shape by Friday. Coffee will be served each hour, but cups must accompany the well-filled dinner basket. The program will consist of recitations and sermons. The Williams and Galesville Sunday schools are each planning some good for the meeting. As the Glendale Riddle churches are to discontinue services, the pastors of these churches are expected to be present. Several musical numbers will be presented by local people.

This is an undenominational meeting organized for the purpose of uniting interest in religious education in the rural districts. A cordial invitation is extended to all persons in charge of these group meetings with four local officers to be present.

Chautauqua to Have Fine Program

James Elvin, manager of the Roseburg Chautauqua, arrived in the city today. Mr. Elvin states that this has been one of the most prosperous seasons, although hard times have been met in nearly every state where the Chautauqua has presented its services.

Stefansson is the star attraction everywhere. At El Paso, he received from the king of England a medal on behalf of the Royal Geographical Society. This medal, called the "Founders Medal," is coveted by the most famous men of the world over.

The program all the way through is well balanced and is declared in many places the best Ellison-White has ever presented.

Only a few more days remain until the program will start in Roseburg. All guarantors are urged to press the ticket sale so that Roseburg may be over the top before next Sunday evening.

BUICK DELIVERED 13,759 AUTOS TO OWNERS IN JUNE

Sales Department Makes Public Figures Compiled From Reports of Distributors.

Figures that reflect the strength and potentiality of the United States and one of its greatest industries were released for publication today by the Buick Motor Company. They show that during the month of June just past, 13,759 Buick automobiles were delivered into the hands of owners. All these cars were six cylinder models, ranging in price from \$1,495 to \$2,635.

The figures were compiled from reports received from every branch and distributed in the country and they represent in the most convincing way the position which Buick occupies in the minds of the buying public.

Still Handling Big Figures. "Someone has said that the automobile industry was through with big figures, but these totals decisively prove the contrary," said E. T. Strong, general sales manager, who made the announcement. "They evidence that the automobile industry has earned right to the title of one of America's greatest industries and that the spirit of optimism which was prevalent in some quarters did not faithfully represent the sentiment of the public upon whom

Thelma Daugherty Married Sunday

The following is an account in the Salem Capital, of the wedding of Miss Thelma Daugherty, formerly a popular young lady of this city. This comes as a complete surprise to her many friends in this city.

Miss Thelma Daugherty, daughter of Mr. and Mrs. G. D. Daugherty, 595 North Fourteenth street, and Lyle Nosler were quietly married on Sunday morning at three o'clock at the parsonage of the Court street Christian church, Rev. R. L. Putnam, pastor, officiating. They departed on the three o'clock train for the coast where they will spend a two weeks' honeymoon before going to their home near Bridge, Oregon, where Mr. Nosler has a farm.

Before the wedding the bride was the honor guest of Miss Ruby Allen, 290 South Twenty-first. The affair purported to be a slumber party, but the time was spent in playing the guitar and singing until the appointed hour. Refreshments were served. Young women present at the pre-wedding party who were also numbered among the intimate friends and relatives present at the wedding were, Miss Beryl Marsters, Miss Dorothy Orent, of Roseburg, Miss Eulalie Witzel, Miss Blanche Lee, Miss Ruby Allen and the honor guest, Mrs. Nosler.

Movie Closeups

Pleasurable anticipation greets the announcement that "Mamma's Affair," presented by Joseph M. Schenck and released by Associated First National, will be seen at the Antlers Theater tonight.

The always engaging Constance Talmadge carries off the stellar honors. It is the screen version of Rachel Barton Butler's Harvard University prize play, which enjoyed a Broadway success last season.

The director, Victor Fleming, has succeeded, it is said, in making it even more pleasing than when presented as a stage play.

The sparkling lines which gave the play such vogue are preserved in the titles while the screen version, perhaps because the camera gives even wider scope to the scenes of merriment, is even more replete with laughs than the play. It is a fittingly chosen starring vehicle for the dainty comedienne.

Miss Talmadge is said not only to repeat her former triumphs, but to ascend to new heights in her interpretation of the role of Eve.

The cast is carefully chosen and deserves mention: Kenneth Harlan, who is Miss Talmadge's leading man, plays the part of Doctor Harmon. Effie Shannon essays the role of Mrs. Orrin, the mother of Eve, Katherine Kraus interprets the character of Mrs. Marchant, the sycophantic friend of Mrs. Orrin, George Le Guend appears as Henry Marchant, the son and affianced husband of Eve, while Gertrude Le Brandt is "Bundy," Mrs. Orrin's confidential maid.

IMPROVEMENT CLUB MEETS.

The Garden Valley Improvement Club met in the Woman's club rooms July 14. Mrs. Henry Eklers being hostess for the day. The club is showing great interest at present in doing something to improve the valley in the near future, and during the afternoon that was the chief topic. The young people are being considered and the Woman's Club will help them in whatever line they wish. The club room was beautifully arranged with flowers and the hostess served delicious refreshments during the social hour.

The next meeting will be held on July 28, at the home of Mrs. Nash when Mrs. J. E. Page will entertain.

Miss Florence Wharton left this morning for Klamath Falls, where she will be the guest of Mrs. Glenn Wimberly and Miss Beulah Jarvis. Miss Wharton will also stop over in Grants Pass for several days to visit with her sorority sisters.

the industry depends for its success or accurately measure the extent of the transportation needs of the country.

The fact that nearly 14,000 Buick cars were placed in the hands of owners in the month of June should not be regarded as astounding or phenomenal. Instead the figures can be interpreted as a concrete demonstration of the tendency of the people to invest in a product which they want and need.

Orchestra is Great Hit

The success of the song, "By the Waters of Minnetonka," written by Thurlow Lieurance, has created unusual interest in the historical origin of the song. It was written after visiting an Indian feast at which he noted men bestowing honors on a brave of another tribe. The red man in turn sang for his friends. In plaintive tones he made up love songs for them.

Mr. Lieurance, attracted by the appeal of one of these, gleaned the legend for the poem of his song. It suggests the traditional feud between the two clans of the Sioux. According to Mr. Lieurance, a Sunder brave fell in love with a Moon-deer maiden, such deemed unpardonable by the clans. The lovers were sentenced to death but rather than be separated ran away to Lake Minnetonka and waded into the waters
