## Every Dollar Brings Full Value Here

Why? The J. C. PENNEY COMPANY stores have increased from one store in 1902 to 312 in 1931. This increase is the direct result of the CONFIDENCE of the buying public. No customer in this town or any other ever worries about "sales," ever has to wait for goods to be "marked down" or wonders why merchandise sold at one price today should have to be advertised at a lower price tomorrow as "values UP to." Honest Merchandise and Truthful Advertising creates Confidence. It is making a beaten track from the most obscure community straight to the wealth of the great markets and enables the J. C. PENNEY COMPANY to give unquestionable values for every dollar of the millions spent for their customers.

## OHIO TOURISTS GO THROUGH.

Four auto loads of tourists passed through Roseburg yesterday afternoon from Columbus, Ohio, enroute to San Diego by way of Seattle. They left Ohio on June 11, and are taking their time on the trip, visiting all points of interest and spending several days in each big city. They came over the Yellowstone trail to Seattle, stopping for a week in Yellowstone national park. They report

fairly good roads over the whole trip, those in Wisconsin being probably the worst, while those in Oregon are among the best.
