Detours Are Bad—

Archie Taylor, manager of the Roseburg-Eugene stage, states that in making the trip north there are several detours which greatly delay the trip. A detour between Waller and Creswell takes you over a long rough road, misses Creswell and comes out at Goshen. Another is between Salsinaw and Cottage Grove which will likely be through by Saturday. The trip from here to Eugene takes about four hours, which is much greater than when the roads were in good condition.

THE U.S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of service among motorists who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fabric line, the Usco has earned a reputation for quality and dependable economy which is not exceeded by any tire in its class.

From the makers of
U.S. Royal Cords
to the
users of Fabric Tires

"Giving to the fabric tire user
fresh, live tires. Being made
now. Being shipped now."

In all of modern merchandising the biggest conundrum is the fabric tire situation.

Around 70% of all car owners use fabric tires.

Their instinct for quality is as strong and insistent as any one else's.

Why, then, are they offered such hodge-podge stocks of "discount tires," "odd lots," "seconds," "retreads" and other so-called bargains of uncertain origin?

Sooner or later the public always seeks out quality. As a matter of self-protection—if for no other reason. The out-and-out opinion in favor of U. S. Fabric Tires has spread more this year than it ever did.

People have gotten very close to the U. S. policy. Felt it. Benefited by it. And passed the word along.

It's a policy settled to one standard for all U. S. Tires. Whether fabrics or cords. Small sizes or large.

Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now.

All the original U. S. vitality and service comes through when you buy a U. S. Fabric Tire.

"Usco," "Chain," "Nobby." Three different treads.

Built by the same brains, the same policy, the same quality ideals that have made U. S. Royal Cords the standard measure of tire worth.

WHY IT SUCCEEDS.

Because it's for One Thing Only, and Roseburg People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Ask your neighbor!

Here is Roseburg evidence to prove their worth. Mrs. Mamie Sagar, 526 Court St., says: "I gladly recommend Doan's Kidney Pills. I know they are a splendid remedy for they have always been used in my family with splendid results. When my kidneys troubled me and my back felt weak and lame I used Doan's and they soon corrected the trouble and put my kidneys in good condition."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sagar had. Foster-Milburn Co., Mfrs., N. Y.

The members of the Rebekah lodge gathered at the river at the foot of Temple street last evening after their business session was over. An evening was spent with games, after which the winners were roasted and coffee was made.
