Make your tractor earn more money

If you can get more and better work from your tractor at less cost for fuel, oil and repairs, your profits will be larger. That's certain.

We know that SUNOCO Motor Oil—the new scientific lubricant—insures greater tractor power on less fuel and oil. We have proof.

SUNOCO is made in special types for tractors, where steady, gruelling service demands oils of the highest lubricating value.

No matter what the size or make of your tractor, SUNOCO will lubricate it perfectly. Just tell us the make and model and we will tell you the type of SUNOCO to use.
