HARTH'S TOGGERY

Football Game Armistice Day

A football game between the Roseburg high school and some outside high school team will be one of the main features of the Armistice Day celebration. Principal Arthur S. Taylor stated today that the team is arranging for a game for that day and will bring in a strong aggregation to furnish sport for the afternoon. Arrangements will probably be made with either Cottage Grove or Grants Pass, although the challenge offered these teams has not yet been accepted. If the game cannot be arranged between these schools an effort will be made to locate another eleven to play upon that date. The local high school team is playing in fine shape. The boys are being given actual scrimmage and are making excellent progress. On Saturday they will play against a picked team of experienced men and will be given a chance to show their mettle.

H. E. Haslett, the county agent, spent the forenoon in Riddle culling a flock of poultry at the Glenbrook farm.
