Prune Pickin's
 By Eric O. Bates

GOOD EVENING FOLKS—
 If we were the officers who have charge of Roy "Slippery" Gardner, we'd hog-tie that individual without any further ceremony, brand him with a hot iron, and fasten a half a dozen balls and chains to his pedal extremities. For Jumpin' Jehosphat, the son-of-a-gun is bound to sneak away again, and with a few little handles, like that he couldn't get much farther than Australia.

ADVICE TO THE KIDS.
 Do your Christmas hinting early.

If these bone-dry laws continue much longer the storms won't be allowed to brew.

The feller who has to live in a modern apartment certainly has our sympathy. Imagine it yourself—been in a bath-tub so small that when you chew your gum the water sloshes over.

The story has been told of a Legion post in South Dakota offering each service man paying his dues before December 15th, a biscuit baked by a recent bride and member of the Women's Auxiliary. Three of the biscuits to be distributed contained cash prizes—\$20, \$10 and \$5 in gold, but none of them to be opened until the night of the banquet when they will serve as a card of admission. Early recipients declared that from their weight it cannot be judged whether the bits of pastry contain bricks or feathers.

TURBULE, TURBULE.
 One Sunday two lovers went to church. When the collection was being taken up the young man explored his pockets and finding nothing, whispered to his sweetheart, "I haven't a cent, I changed my pants."
 Meanwhile the girl had been searching her bag, and finding nothing, blushed a rosy red and said, "I'm in the same predicament."

DROP A TEAR IN THE SLOT.
 Her death was so sudden, Alan, 'twas so sad.
 She gave up her life,
 'Twas all she had;
 She now sleeps silently
 Beneath a willow bough;
 There is always something doing,
 When a freight train hits a cow.

AFTER WHICH THE EDITOR WILL AGAIN BE FOUND IN HIS SANCTUM.
 (From the Owen (Ind.) Leader.
 Two weeks ago in our account of the shooting of Walter Ooley by Clarence White, we stated that it was said that White found his wife with Ooley and that the shooting resulted. Mrs. White states that that portion of the story is an error and that she was not with Ooley when the trouble occurred. She asks that this correction be made and we are glad to give her story the same prominence accorded to the original account of the affair.

In this uncanny and crooked world, where seventeen hundred pounds make a ton of coal, and "low bridge" is the test of gasoline, don't consider every man who recites the Bible in public a preacher.

AI-MEN.
 A man by the name of Obadiah Drew bought a boiler and some radins and made a batch of brew.
 His neighbors made a holler,
 So he moved to Walls Walla.
 You can write him care of "Waslen's Hotel, Room 492."

Tillie Clinger says she always knows when the boss is telephoning to his wife, because he makes it snappy.

LIL' GEE GEE, TH' PRAIRIE VAMP, SEZ:
 "In th' social swim it is the survival of th' fittest."
 The old-fashioned boy who thought sugar-butter biscuits made a good lunch now has a son who spends 40 cents at the cafeteria.

It has just about gotten so in this country that when a man pleads guilty they think he's crazy.

When things fall to come your way,
 Keep your head;
 They will come some other day—
 Keep your head;
 When old Trouble makes you sad,
 Don't get careless, don't get mad;
 Good is sure to follow bad—
 Keep your head;
 When some wild man wants to fight,
 Keep your head;
 If you must, then whip him right—
 Keep your head;
 Don't give up unto the blues;
 Just keep out of frets and stews;
 Keep a-plugging, you can't lose—
 Keep your head.
 —Bible Dudley.

Fat Arbuckle has made people so uneasy that the women won't buy the brand of coffee with a male escort.

 "Folks ya'd better get yore 'rune Pickin' anyrl rite now—'most ever' body's ordered theirs."

Hat Shop Dissolves Partnership

The Hat Shop, under the management of Miss Mabel Childs and Miss L. Abrams, announces a dissolution of partnership. Miss Childs is leaving the business and expects to leave Roseburg in the near future. Miss Abrams will no doubt continue in her work and enjoy the fine patronage of the business as in the past.

The many friends of Miss Childs regret her leaving the community, but hope that she may return here some day to make her permanent home. Miss Childs and Miss Abrams have, through years of work, succeeded in maintaining one of the finest and most up-to-date hat shops in this city.

The plans of Miss Childs for the future are yet uncertain.

BAPTIST BAZAAR AND DINNER.

The ladies of the Baptist church will hold their annual bazaar at J. O. Newland & Son's salesroom, at Dodge Brothers' service station, Saturday, Nov. 19, opening at 8:30 a. m. Rugs, aprons and comforters, a specialty. Those contributing articles for the bazaar please bring them on Friday afternoon. A cafeteria dinner will be served from 11 o'clock a. m. to 2 p. m. with the usual good menu. All food contributed must be in by 10 a. m. Saturday.

GLIDE PARENTS AND TEACHERS TO ORGANIZE

The teachers and patrons of the Glide schools will meet at the Glide church on Friday, November 18, for the purpose of organizing a parent-teacher association for that locality. Arrangements have been made for a short program, the high school pupils agreeing to furnish the music for the entertainment. County School Superintendent O. C. Brown will make an address after which it is planned to hold a business session and elect officers.

The Glide community has been giving its schools strong backing and communication and the formation of a live association will doubtless be a valuable aid to the schools in their future work.

CHRISTMAS HANDKERCHIEFS.

Carr's store have just put on a display a wonderfully pretty line of handkerchiefs for women, children or men. If you want handkerchiefs to make up or the finest ready made ones, see the beautiful display at Carr's—where you save.

SCHOOL BOARD MEETS TONIGHT

The school board will meet tonight with a representative committee for the purpose of modifying, if possible, the order regarding the use of the high school auditorium for public meetings. The committee was appointed by a delegation which appeared before the board at its regular meeting last Monday. It is desired to open the auditorium to public organizations for benefit performances and entertainments and an effort will be made to arrive at some agreement in this regard. It is quite difficult to form this order as the drawing of a line barring certain entertainments and permitting others presents a problem requiring considerable thought.

CARR'S DOLL CONTEST.

How close did you guess? There were 1096 dolls in the window. The nearest guesses were 1100 by Mrs. R. M. Knight and Eldred Gordon. They will each receive a doll. If you weren't so fortunate as to get a doll free, remember we are doll headquarters for Roseburg and also that "we can save you money." Most of Carr's doll prices are at 1/2 of last year's prices. See our line and make your selection early.

CAMAS VALLEY NEWS

Harold Siegel enrolled Monday in our high school.

Rain or shine, Wilbur and Camas Valley boys and girls basketball teams clash Friday. The games will be played just before noon, after which everybody will join in a basket dinner. The boys have been repairing the floor in the community hall so in case of rain, it can be used.

Religious work has been progressing greatly. Sixty-three persons attended Sunday school this week. J. P. Bonebrake is superintendent. Our minister, N. M. Shrode, draws big crowds. Many turned out Sunday evening to hear Elder Baker from Myrtle Point. The "Husters" young people's class were hosts, Friday, to all the young folks of the community.

S. H. Gray is home for a visit. He has been logging in Coos county.

ROSE SCHOOL PLAY SHED.
 Liberty theater will give one-third of evening's receipts from the show Friday, Nov. 18, for benefit of Rose school play shed. All interested in the erection of this play shed should attend. We, as a committee, wish to thank the Liberty theater for their liberal offer.

S. A. HAS AERIAL MAIL

ANCON, C. Z., Nov. 17.—(United Press.)—An aerial mail service has been established between Botoga, capital of Columbia, and the Atlantic seaport of Santa Maria, which will make possible the delivery of mail between Botoga and Colon in three days. This will make the mailing time between New York and Botoga about ten days, as compared with previous time of about three weeks. The aerial service is operated by a German company, using planes made in Germany.

MISSING GIRL FOUND DEAD IN ICY WATERS

EVERETT, Wash., Nov. 17.—(U. P.)—The body of pretty 18-year-old Dorothy Grimm, lost since last Saturday in the woods near Tye, was found at daybreak today in the icy waters of the Stillaguamish river. The coroner's office at Everett was notified and officials left immediately for the scene. Whether the girl was murdered or death was accidental will not be determined until the arrival of the coroner.

CALUMET BAKING POWDER

MAKING POWDER

THE PUREST BAKING POWDER

BE SURE
 of perfect results on bake-day. Don't spend your time in preparing bakings that contain expensive ingredients and be disappointed when you take them out of the oven. Use

CALUMET BAKING POWDER

not because it's the biggest selling brand on earth, but because it is absolutely the most dependable and economical of all leaveners.

When you employ Calumet Baking Powder you know that your bakings will raise properly because it contains more than the ordinary leavening strength.

Don't waste energy and money on uncertain aking powder—use Calumet, the "pure and sure" brand.

A pound can of Calumet contains full 112 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

ALLEGED AUTO THIEVES TO BE TAKEN TO PORTLAND.

Clayton and Clinton Currie, charged with the theft of a Chandler automobile, will probably be returned tonight to Portland to answer for their alleged crime. They may be arraigned on a federal charge of transporting a stolen car from one state to another. The Chandler car was found to be the property of Frederick Leo, of Everett, Washington, and was stolen from him several days ago by unknown persons. It was traced through the state auto theft department. The boys were arrested here by City Recorder R. L. Whipple, after he had received word from Wilbur that they had crowded a team and wagon off the road. Suspicion was directed against them when it was found that their car carried a Studebaker truck license. They gave stories of having lived in Portland, but knew nothing about that city. Because of these conflicts they were held while the rightful owner was traced.
