Resolutions Are Sent to Congress

The International Bible Students Association, in convention assembled at Washington, D. C., begs leave most respectfully to memorialize the International Arms Congress now assembled at Washington, D. C., as follows:

As Christians earnestly striving to follow the teachings of Christ Jesus our Lord and his Apostles, we hold: That war is a relic of barbarism, destructive of good morals and a reproach to Christian peoples;

That the principles taught by the Lord Jesus Christ preclude consecrated Christians from engaging in war, bloodshed or violence in any form;

That no nation can be said to be truly Christian which fails to adhere to those principles taught by the Lord and his Apostles;

That the ruling or governing factors of the nations commonly called "Christendom" are now and for some time have been, to wit, "Financial Princes," otherwise termed controllers of commerce, statesmen, or political leaders, who formulate the laws, and clergymen and other ecclesiastical teachers, the last named, both Catholic and Protestant, having contrary to the Word of God, joined hands with the two first-mentioned factors (which three component parts here mentioned we for convenience and identification designate "The Ruling Powers");

That the delegates and representatives of The Ruling Powers now assembled in International conference at Washington for the purpose of the limitation of armaments, and insofar as possible for the establishment of conditions of peace and prosperity among the people, have before them a laudable object.

But we may be pardoned for humbly suggesting that the end desired cannot be attained by a partial or even complete disarmament of the nations. Reformation of men or nations will not result from the destruction of arms, but genuine reformation of men will lead automatically to the complete destruction of all instruments of war and all forms of violence.

While war is terrible beyond description of human phrase, yet it is not the worst thing to be feared. Bolshevism, as a great menacing monster, is knocking at the door of every nation, and the destruction of all law and order is threatened. To prevent such terrible disaster and to save the people from indescribable suffering is the tremendous problem which we submit, requests more than human wisdom. We therefore suggest that the heading of Divine wisdom and the adoption of the Divine remedy as prescribed by God's holy word is vitally essential at this time.

The kingdom of Christ, the Messiah, for which he taught his disciples to pray, is at hand. This is evidenced by the World War, famine, pestilence, social upheaval, distress of nations with perplexity, etc., all of which constitute the fulfillment of prophecies made by Jesus himself as relating to the present time. Within a short time his kingdom will be fully and completely established and the old order of things completely gone. To that kingdom all earthly powers must be subject either willingly or unwillingly. The trouble upon the nations beginning in 1914 is but the expression of God's re-venge against all unrighteous systems in the earth.

The holy prophets of Jehovah indicate how that the kingdom of Christ, the Messiah, may be established without great suffering to humanity, provided that the Divine way be adopted. You will pardon us, therefore, for calling your attention to those Divine prophecies long ago recorded, which in substance indicate what the proper course is, to wit:

(1) Let the Financial Princes, the controllers of commerce, cease profiteering, cease exploiting and deceiving the people by systematic propaganda, and be content with a reasonable income sufficient to insure their own maintenance and support; let them use their power for the general welfare of the people to the end that the idle may be employed, the hungry fed, and each man be afforded an opportunity to provide for himself and loved ones the things decent and honest in the sight of God and men.

(2) Let the statesmen or politicians cease to act as instruments of selfish powers and selfish interests and henceforth honestly and impartially represent and safeguard the interests and general welfare of all the people.

(3) Let the clergymen and other religious teachers, who claim to be ministers of God's Word and therefore the nobles among the people, divorce themselves completely from commercial and political affiliations, return to their first love, recognize God's Word as truth, honestly and faithfully teach the people the prin-

principles taught by Jesus and the Apostles, and thereby prepare the people to receive the kingdom of Christ, the Messiah, who alone can and will establish peace on earth and good will toward men.

Let the ruling factors by example as well as by word thus lead the people in the right way and prove that they are the real friends of the people; and let all the people heed the words of God, refrain from violence of every kind of form, seek meekness and righteousness, and the occasion for armament and war will cease. These things done, the kingdom of Christ, the Messiah, will be established on earth without suffering.

We shall be pardoned for saying that if the prophecies clearly indicate that if the divinely prescribed remedy be ignored, this being the day of God's vengeance, as declared by His prophets of old, His wrath will be visited upon every government and system of Christendom; and both Jesus and the prophets declare that such shall be "a time of trouble such as the world has never known," at which time shall "Michael (the Messiah) stand up, the great prince that standeth for the children of thy people." This standing up of Michael will effect the deliverance of mankind from all forms of oppression and will make the beginning of righteousness on earth. The result will be God's will done on earth as it is done in heaven, for which Jesus taught Christians to pray.

Great responsibility rests upon the Ruling Factors of the nations of the earth now in the hour of dire distress and perplexity; and we shall be pardoned for requesting such to give earnest consideration to the Word of God, having in mind that "blessed is that nation whose God is Jehovah."

Resolved that a copy of this memorial be delivered to the Honorable Charles Evans Hughes, chairman of the International Arms Congress now in session at Washington, D. C.; that copies be furnished to each delegate or representative of the nations attending said conference; that a copy be delivered to the President of the United States, and copies to the members of Congress and to the public press.

Upon motion duly put the above resolution was unanimously adopted by the convention this 27th day of November, 1921.

(Signed.) Dr. R. A. Bamble, Chairman of Convention. Frank H. Harrison, Secretary of Convention. J. E. Rutherford, President, I. B. S. A.
