ACCESSIBILITY to all moving parts has been given exceedingly careful attention in the New Series of the good Maxwell.

Methods of adjustment have been amplified to an extraordinary degree.

The man who does his own work will be deeply appreciative of this accessibility, but it is also of vital importance to all owners of the good Maxwell because it materially reduces service time, and therefore service.

The American Legion Auxiliary held a very enthusiastic meeting at the Parish House last night, with Mrs. Guy Gordon, the newly elected president, presiding. There was a good attendance. The plans for the

coming year were discussed, and it was decided to give some kind of an entertainment in the near future to raise funds. The last Tuesday in this month will be a social meeting for the Auxiliary and Legion and plans are being made for a good time.

Mrs. Fred Bushfield of Seattle is expected to arrive here within a short time to visit with her sister, Mrs. Harry Waters.

## AMERICAN LEGION MET LAST NIGHT

Disabled Vet Thrills Legionaires With Talk on "Americanism."

### PROGRAM WAS SNAPPY

Excursion Planned to Glendale for Purpose of Interesting Ex-Service Men in That Section in the Ideals of Legion.

Umpqua Post of the American Legion held a rousing meeting last night in the armory at which time plans for the ensuing year were outlined. In addition to the regular routine of business several talks were made by the members. Comrade Burke, a recent arrival in Roseburg, took the floor and made a talk that thrilled his listeners. Burke has been in Washington, D. C., government hospitals for some months. Both of his feet are missing and he is suffering from effects of gas. His talk on American Legion Ideals was a masterpiece.

The Legion will soon stage a big free dance and entertainment for the ex-service men as a climax to a big membership drive. The committee in charge of this event will make a complete announcement at an early date. On Saturday night of next week a large delegation of Umpqua legionnaires will leave here for Glendale where they will meet that night with ex-service men residing in that district. Committees have been appointed to take charge of this affair and they will provide entertainment for those who are going to attend. It is necessary that a large number of the local vets join this excursion party to Glendale and help in spreading the good word concerning the legion. Umpqua post is growing rapidly and in a short time will have members in every section of Douglas county.

Commander Flurry impressed the members last night concerning membership work and urged every member to get another member.

Arrangements for the annual legion show were started last night. No definite announcement concerning this event can yet be made. A committee was appointed to get in touch with Mr. and Mrs. Frank Powell, the Los Angeles theatrical producers, who staged the home talent Elks show, "Purple Flashes." In the event they can be secured they will stage "Mademoiselle," a whirly-girly musical comedy.

Umpqua post is a lively organization. The large attendance last night, excellent speakers, and snappy business program impressed everyone. It is not only up to the veterans to boost this fine outfit but also should be the duty of every patriotic citizen to lend a shoulder to the wheel and make Umpqua post the best post in the state.

## THIN FRAIL PEOPLE SHOULD TAKE TANLAC

Hundreds of Men and Women in Roseburg Appear To Be Physical Wrecks Simply Because Their Systems Are Starving For Nourishment.

There are hundreds of thin, run-down, nervous men and women right here in Roseburg who should be strong, sturdy and vigorous, with rich, red blood tingling through their veins and feeling brimful of life and energy, if they would only profit by the experience of others all over the United States and Canada, and assist nature to digest the food they eat, by simply taking Tanlac.

Millions of people have not only been relieved of the most obstinate forms of dyspepsia and indigestion by Tanlac after other remedies have failed, but large numbers of them have reported a remarkable and rapid increase in weight and a return to normal health and strength by its use.

In fact, so phenomenal have been the gains in weight by thin, frail people through the use of Tanlac that this remarkable preparation is now being proclaimed everywhere as the World's Greatest Tonic.

The food people eat does them absolutely no good unless they digest it properly. When you suffer from indigestion and other forms of stomach trouble, the food does you harm instead of good, because food which is not digested stays in the stomach and ferments, causing pains, swelling, gas on stomach, shortness of breath, bad taste in the mouth, dizziness and many other disagreeable symptoms. If this condition is permitted to run on for an indefinite period the entire system becomes saturated with poisons, the patient

becomes thin and pale and in time various complications are apt to result.

Tanlac is a powerful reconstructive tonic and quickly overcomes this condition by aiding Nature to eliminate the impurities from the system in a natural way and enable the vital organs to properly perform their functions. That is why it is called Nature's Medicine.

In fact, there is not a single portion of the body that is not benefited by the helpful action of Tanlac, which begins its work by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the entire system. Next, it enables the weak, worn-out stomach to thoroughly digest its food and convert the nourishing elements into bone, blood and muscle. The result is you feel strong, sturdy and well with the proper amount of flesh, as Nature intended.

Tanlac is sold in Roseburg by W. F. Chapman's Pharmacy, and by leading druggists everywhere.

Eddie Richards, Portland middleweight, won a close round call over Rubie Platt. Seattle: Willie St. Claire, 140 lb. 140 pounder, beat Spokane, while Jimmy Ladson, Seattle and Frankie Ritchie, Spokane, lightweights, fought a four round draw.
