

R. H. S. Debate Team Victorious

The R. H. S. debate team was successful yesterday in winning the first two inter-scholastic debates of the season. The first contest was held at the high school yesterday. At this time the affirmative team composed of James McClintock and Vivian Orcutt won a two to one decision over Myrtle Creek on the question: "Resolved: That Immigration Should Be Prohibited for a Period of Not Less Than Five Years." Both sides put up a strong fight but superior arguments on the part of the Roseburg team won the decision.

The second debate was between the negative team, composed of Debrae Farrot and Mildred Starrett, and the team for Willbur high school. This contest was held at Willbur's stamping grounds. The result of this debate was also a two to one decision in favor of Roseburg.

Both teams have been under the coaching of Miss Lotta Holloper for the past several weeks and show results of very careful and diligent training.

As a result of these victories the Roseburg team will debate the Eugene team next Friday. If the team keeps up the work that it has started

Order Made In Port Tax Case

Judge J. W. Hamilton today signed an order granting the Port of Umpqua ten days in which to appear and show cause, if any, why a motion, made by J. N. Hedden, Frank Wells, Fred Assenbly and A. B. Haines, representing the taxpayers league of the Port of Umpqua, that the minute books and ordinance books be thrown open for inspection, should not be allowed. The representatives of the league claim that the Port is attempting to force a tax levy which is invalid and which cannot be enforced and have asked for an order restraining the assessor from levying the tax and the sheriff from collecting the same. It is also alleged that the Port commission has refused to allow an inspection of the books kept by the port and a motion that the court demand inspection has been made. Service of the summons will be made immediately and the commission will then have ten days to make an appearance.

Alleged Robber Caught at Weed

Ivan J. Elder, alias Sharkey, a former resident of Myrtle Creek was arrested last night at Weed, California, and is being held there for the robbery of the Myrtle Creek railroad depot. In a telegram received by M. Cotturri, S. P. Special agent, Elder has confessed to the crime and expressed a willingness to return to Douglas county where he will be arraigned on a charge of burglary. Elder, it is claimed has spent a great deal of his life at Myrtle Creek and is quite well known there. It is alleged that he broke into the Myrtle Creek station and stole a number of articles of minor value and also several railroad tickets. One of those tickets, it is claimed, he stamped and dated and used for his trip to Weed. As the number was easily obtainable it was traced and his arrest was brought about as a result of this clue to his location. He was found working in a camp near Weed and is now being held in jail there. The case was turned over to the county officers and District Attorney Seamer is preparing a complaint charging burglary. Sheriff Sam Strayner will send a deputy to Weed tonight to bring the alleged criminal back to this city for trial.

First Place at the New York and Chicago Shows

For the Fourth Consecutive Year Buick has been awarded first choice of space at the National Automobile Shows. This honor is conferred each year by the automobile manufacturers who are members of the National Automobile Chamber of Commerce, upon the member having done the greatest volume of business during the previous year.

That Buick has retained this position year after year reflects convincingly the high regard in which Buick is held by the American public. Such regard is a logical outgrowth of Buick policy which has been rigidly maintained for twenty years—that every car which leaves the Buick factory must first, last, and all the time give that thoroughly dependable and trustworthy service which will make every Buick owner a Buick enthusiast.
