### Pope Crowned Amid Great Pomp

ROME, Feb. 12.—Pius XI was crowned Pope in the basilica of St. Peter's today amid scenes of pomp and enthusiasm and in the presence of princes and dignitaries of the church, the diplomatic representatives of foreign countries, members of the Roman aristocracy and a vast assemblage filling the great structure to the very doors.  
The ancient custom was carried out with impressive ceremonies and the newly elected pontiff now occupies the throne of the first Pope reported crowned, Leo III, who reigned from 755 A. D. to 816 A. D.  
Pius XI again blessed the crowds from the outer balcony of St. Peter's, this time nearly 200,000 people cheering "long live the Pope" and waving handkerchiefs. It had been officially announced that owing to the cold weather the Pope would not bless the crowds from the outer balcony, but such was the insistence and warmth of the cheers that the pontiff finally decided he must answer the call.

### SECRETARY OF NAVY SUGGESTS BIG SAVING

(By Associated Press.)  
WASHINGTON, Feb. 13.—Secretary Denby appeared before the house naval committee today to recommend that the navy personnel for the next fiscal year be 20,000 men and 6,000 apprentices, compared to 100,000 men and 6,000 apprentices now authorized. ### Hall Indorsed Governor of Oregon

PORTLAND, Or., Feb. 12.—Senator Charles Hall of Marshfield is to be offered the gubernatorial endorsement of the federation of patriotic societies, this decision having been made Saturday night when the organization met in a special session for the purpose of making its choice of a republican candidate for governor.  
"I am naturally glad to receive such an endorsement as this, but as yet I am not ready to announce that I will run for governor," said Senator Hall yesterday afternoon at the Benson hotel before he left for his home in the Coos Bay city.  
"This offer, when officially made, will of course cause me to give serious consideration to the idea of running for governor. I have in truth never seriously considered it, but have been content to let my friends keep talking in my behalf."  
The fact that the patriotic societies have chosen Senator Hall as their candidate is said to mean the elimination of several prospective candidates from the gubernatorial field. Senator I. L. Patterson of Polk county, Colonel George H. Kelly of Portland, and George A. White, adjutant-general of the state, were receptive to the indorsement. The men who were not successful in receiving the indorsement are said to have pledged themselves to get behind the chosen candidates and remain out of the race.  
The choice of Senator Hall and the elimination of these three narrows the list of possible candidates considerably. It is almost positive that Governor Olcott will run to succeed himself. Louis E. Bean of Eugene, on the eve of the meeting of the patriotic societies, announced himself as a candidate. Stephen A. Lowell of Pendleton is in the race and so is J. D. Lee of Portland. Rumor has it that Judge William M. Calkins intends to run, but he has made no announcement of such a plan.  
Senator Hall is 42 years of age and for several years has been in the telephone and banking business in Marshfield and Coos Bay cities. He was elected to the state senate two years ago and was one of the recognized leaders in the 1921 session. He has been active in republican politics of his district and has a wide acquaintance throughout the state.  
It is not improbable that his announcement of gubernatorial candidacy will be made within a few days, although he left Portland last night without so stating.
