

FEET OF CLAY

"Oh, I hate you! I hate you!" I called fiercely through the door to Theodore Stratton, but I could not help a little giggle at the sound of the contemptuous grunt from Kitty in the bed.

"But I don't hate you, baby-child," came in maudlin tones from this idol I had put upon a pedestal. "Even if you don't love me any more you must let me love you. Tell me you will let me spend my life making you happy and I'll go home," pleaded the thick tones of Theodore.

"You might tell him, Virgie," called Kitty dryly, "that he can begin now making you happy by going home and letting us get some sleep." Theodore Stratton caught her voice. "Oh, so Kitty Dalton is with you. Well, then there is no reason why I should not come in and talk with you. Open the door."

"No, Theodore, it is 2 a. m. You can't see in."

"But, my dear girl, I have a wonderful scheme and I want to tell it to you. I want to make you happy, always."

"You can tell it to me in the morning, Theo." Though I refused him, my sense of humor again tricked my lips into a faint smile at the idea of his begging to be allowed to make me happy while he was in the very act of annoying me.

"I can never have the same feeling toward Theo as I have had." "Oh, yes you will. Just remember it was not Theodore Stratton that you saw tonight. It was John Barleycorn speaking. You must get over the conventional habit, Virgie, of dividing people into two classes—the good and bad. I have."

"I have never seen a person so good that I did not find some bad in him, and no one so bad that I did not discover a good trait or two."

"At first I had thought Theodore Stratton all good, Kitty," I replied, "and now I seem to think that he is all bad."

"Kitty insisted that he was just like all the rest—part good and part bad." "But, Kitty," I remonstrated, "he should have had respect enough for me to have stayed away when he was not himself. Does he not realize in what a position he has put me?"

"He never thought of it at all. All men are selfish, my dear—some more and some less. The greatest fault of Theodore Stratton is that he is utterly selfish. His egotism and self-centeredness has grown with the glorification that has been given him by his admirers who have only seen him on the screen, until he thinks he is above the laws of God or man."

"It never enters his mind that anything he wants to do is not the thing to do. But, Virgie, most of those who have great success on the screen are some egotistical and self-centered. Theodore is by no means alone in that. Still I should regret very much to know that you loved him deeply, Virgie."

would put a doubtful aspect upon any explanation that we might give."

"Get up, you brute!" she said belatedly to the huddled, weeping Theo.

He staggered to his feet and ran uncertainly into the arms of the night watchman.

"Leave him to me, Miss Virgie," he said.

The man hustled Theo along the corridor until he reached the elevator and then pushed him into the car with such force that Theo crashed against the other side, an inert mass.

Covered with confusion and shame and heart-burnt, I went back to bed and Kitty followed.

After a few moments she burst into a fit of laughter, in which I joined her.

"I just wonder," she said when she could speak, "what Theodore Stratton screen fans would think if they could have had a moving picture of their idol tonight—drunk, dressed up and no place to go."

"It was awful, Kitty—awful!" I whispered.

"Yes, I know, but wasn't it funny?" and Kitty went off into another paroxysm of laughter.

"It's quite tragic to me, Kitty. I thought today when I saw you and John storm together how much happier I was than you could ever be, and I come here tonight and find my house of cards all in little heaps. I can never have the same feeling toward Theo as I have had."

"Oh, yes you will. Just remember it was not Theodore Stratton that you saw tonight. It was John Barleycorn speaking. You must get over the conventional habit, Virgie, of dividing people into two classes—the good and bad. I have."

and action, do not miss a William Fairbanks production. Fighting Bill is the right title for this picture. It is full of fights, furious action and punch. The three-round boxing match, staged between Bill Fairbanks and Jean LaRoque (Al Kaufman, former heavyweight champion), has never before been equaled in pictures. You will imagine yourself at the ringside watching a real slugging match when you see this picture. William Fairbanks, in "Fighting Bill," at the Majestic tonight, stages a fight with six men. You don't see them waiting for their turn to jump in and fight, but you see them all together, clawing, scratching and kicking, a regular ho-man fight, and you will see Bill Fairbanks, bloody, bruised and beaten, but in the end victorious.

Judge Quinn left last night for Portland where he will spend several days attending to county business.

Early English History

The reason that the Norman conquest did not subjugate the English is explained by the fact that "Jutes, Angles, Saxons, Danes and Normans" were all kindred in race and so they united in one race; the Welsh, Irish and Scots were of the Celtic race. The Normans were not Frenchmen in the beginning but pirates from Scandinavia, who had come to France and had been given a tract of land. They adopted the French language and became in time the most courteous and noble people in Europe, but when they won the battle of Hastings, they were more nearly akin to the English or Anglo-Saxons than to the French, although they brought the French language to England, and many of their words were incorporated into the language. Because of racial differences the Welsh, Irish and Scots did not mix with the English as easily, but the centuries have obliterated many racial characteristics because of many intermarriages.—St. Louis Globe-Democrat.

NOTICE OF SHERIFF'S SALE. In the Circuit Court of the State of Oregon for Douglas County. ROY YOUNG, Plaintiff, vs. EARL HAZEL CLARKE, H. R. YOUNG, GEORGE YOUNG, MARTHA C. CLARKE, GEORGE YOUNG, EDWIN YOUNG, H. R. CLARKE, administrators of the estate of MARTHA A. YOUNG, deceased; and H. R. CLARKE, administrator of the estate of J. C. YOUNG, deceased. Plaintiffs.

There appeared to be no limits to the man's powers and those who were skeptical when they entered the theatre were convinced when they left that there must be something to mental telegraphy besides faking.

Two young girls, gowned in the beautiful costumes of the Orient, accompanied Hazel throughout his act. They also acted the bill with a dance of the Orient. The stage setting for the act is one of beauty, and the lobby of the theatre has been given the same setting.
