FOR COUNTY JUDGE.

To the Voters of Douglas County, Oregon:

I hereby announce my candidacy on the republican ticket for the office of County Judge at the primary election to be held on the 19th day of May, 1922. I ask your support upon my record as County Judge for eleven months, and also upon my record as Sheriff and Tax Collector of Douglas County for ten years. If I am nominated and elected I will discharge the duties of my office faithfully and endeavor to conduct the affairs thereof as economically as is consistent with good business judgement, equalize the assessments so as to distribute the tax burden more evenly and see that one hundred cents' worth of work is received for every dollar expended in the construction of roads, and that the bond money shall be expended where it was voted by the people of this county.

(Paid Adv.) GEO. K. QUINE.

New bolts of silk jersey tubing for vests, in flesh and white. Add a new silk jersey to the lingerie family. Bell Millinery.

ANNOUNCEMENT.

I hereby announce my candidacy for the republican nomination for county commissioner of Douglas county, Oregon, at the primary election to be held May 19th, 1922. In making this announcement I invite the attention of the taxpayers to my record for economic administration of the county's affairs. A fair and conscientious investigation of the county's business will show that it has been carried on in a careful and business-like manner and that I have always kept the interest of the taxpayers uppermost in my mind, and that I have supported a policy which has saved them thousands of dollars which might have been lost to them through a careless business policy. If elected I promise to continue a progressive but economic and business-like administration of the county's affairs, and to reduce the burden of the taxpayers so far as lies within my power. Thanking you for past support, and assuring you that your continued support will be appreciated, I am,

Respectfully,
EDWIN WEAVER.

Tonight and Saturday rain.

WILLIAM HELL, Observer.

Benson P. T. Endorses Bond Issue

A well attended meeting of the Parent-Teacher association of the Benson school, was held at the school house last night. City Superintendent M. S. Hamm was present and also Attorney A. N. Orcutt of the school board. Both spoke at length upon the bond issue which is to be the subject of the special school election to be held on April 1. Mr. Orcutt stated authoritively from the school board, that unless the $10,000 bond issue is voted that it will be necessary to take the music department, home economics and manual training out of the schools of the city, as money to make repairs and improvements to the school buildings and grounds must be forthcoming this year and if the bond issue is not granted it will be necessary to trim down the running expenses of the schools by eliminating several departments. Following Mr. Orcutt's talk, the association considered the bond issue in a public discussion in which all present joined. It was almost unanimously decided that the elimination of any of the departments giving students practical training would work to the great detriment of the city schools and upon this showing the association went on record as favoring the bond issue and agreeing to work in its behalf.

Will design and make your frocks, gowns and wraps for all occasions, and also do remodeling, at reasonable prices. Will come to your home if more desirable. Telephone 177-120 W. Lane St.

Comparative Data of School Districts of The First Class in The State of Oregon

(By SUPT. M. S. HAMM.)

A few days ago the data of fifteen schools was listed showing the total cost of maintenance and the enrollment.

The per capita costs found below were obtained by dividing the cost by the enrollment. In this item, which is most indicative of the economical administration of a school, we find that Roseburg ranks 10th among the fifteen cities where costs were reported. Nine districts maintain their schools at a greater cost per pupil and five at a less cost.

Per capita school cost, 1921-22:

1. Bend	$111.40
2. Astoria	110.30
3. Marshfield	109.10
4. Pendleton	105.60
5. McMinnville	98.30
6. The Dalles	93.30
7. Medford	93.00
8. Baker	79.30
9. Baker	79.30
10. Roseburg	74.70
11. La Grande	74.00
12. Eugene	70.40
13. Ashland	69.20
14. Corvallis	66.80
15. Salem	62.70

A big evening of music at Christian church Sunday night.

NOTICE.

For gravel, sand and river sediment, or excavating work, call phone 157-R. A. S. Wallace Sand & Gravel Company.

NOTICE TO EXTERMINATE GROUND SQUIRRELS.

It shall be, and is hereby, declared to be the duty of every person, firm, copartnership, company and corporation, leasing, occupying, possessing or having charge of or dominion over any land, place, building, structure, wharf, pier or dock which is infested with ground squirrels and other noxious rodents or predatory animals or as soon as the presence of the same come to its, their or its knowledge, at once to proceed and to continue to good faith to exterminate and destroy such rodents by poisoning, trapping or other appropriate and effective means.

This notice will be in full force and effect on and after March 27, 1922, and continue for a period of sixty days.

The most effective manner of destroying the digger squirrel (Citellus beecheyi Douglassi) is by poisoning. The U. S. Biological Survey recommends the following formula as the most effective bait throout the season:

Barley (clean grain) ..... 48 quarts
Strychnine (powdered alkaloid) ..... 1 ounce
Bicarbonate of soda (baking soda) ..... 1 ounce
Saccharine ..... 1/8 ounce
Heavy corn syrup ..... 1/2 pint
Thin starch paste ..... 2-3 pint
Glycerine ..... 1 tablespoonful

Mix thoroughly in a clean vessel 1 ounce of powdered strychnine (alkaloid), 1 ounce of common baking soda, and 1/8 ounce of saccharine. Over this pour 2-3 pint of thin, hot starch paste and stir well. (The starch paste is made by dissolving 1 heaping tablespoonful of dry kitchen starch in a little cold water, which is then added to 2-3 pint of boiling water. Boil and stir constantly until a clear thin paste is formed). Stir in 1/2 pint of heavy corn syrup and 1 tablespoonful of glycerine, making sure that none of the heavy syrup paste sticks to the bottom of the containier. Pour this mixture over 10 quarts of good cleaned barley and mix well so that each grain is coated.

This notice is being published pursuant to the statute in such case made and provided for such publication for two consecutive weeks or three issues of a paper or papers having a known circulation in the county.

All persons described herein are required to take notice thereof.

Dated and first published this 15th day of March, 1922.

B. W. COONEY
County Agent for Douglas County, Oregon.

ADMINISTRATOR'S NOTICE.

Notice is hereby given that the undersigned has been duly appointed by the county court of Douglas County, Oregon, administratrix of the estate of Eva L. Hall, deceased. All persons having claims against said estate are hereby required to present the same to me properly verified as by law required, at Roseburg, Oregon, within six months from date hereof.

Dated February 17th, 1922.

GRACE L. HALL,
Administratrix of the estate of Eva L. Hall, deceased.

FARM NEWS

BOYS' AND GIRLS' CLUB WORK

(By County Agent B. W. Cooney.)

We have a number of boys and girls who desire to become members of pig, sheep, calf and poultry clubs. Our plan is to assist these club members in securing good purebred animals where conditions will warrant, and in doing this we need the names of breeders who have purebred animals as well as good vigorous grades.

In writing us give the information we need about your stock, enabling us to save time in making our selections for members. We desire to purchase from local breeders wherever possible, but cannot unless we know what you have.

HIGH SCHOOLS TEACH AGRICULTURE

CORVALLIS, March 17.—Interest in the teaching of agriculture in Oregon high schools is greatly increasing according to E. D. Doxsee, assistant professor of agricultural education at the Oregon Agricultural college.

"There are 24 high schools in Oregon which have vocational agriculture departments under the Smith-Hughes act," says Mr. Doxsee. "Of the 24 men teaching in these departments 21 are graduates of the Oregon Agricultural college. These men are not only required to be college graduates but must have had two years or more of practical farm experience."

"Through the state director of vocational education we learn that many schools are asking for information concerning the type of work required under the Smith-Hughes act and the funds available for this work," says Mr. Doxsee. "One of the big things which indicate the popularity of the agricultural work in Oregon high schools is the fact that some of the schools are planning on putting in agriculture without the aid of the government funds. This goes to prove the contentions of the promoters of the Smith-Hughes act that the starting of the practical teaching of agriculture would be an example followed by many.

"In the high schools where the agricultural departments have been started the greater per cent of the boys on the farms take the work. Practical farm work carried on by the students, under the supervision of th agricultural teacher, ranges from the care of one or two brood sows to taking charge of the whole farm."

The Smith-Hughes act was passed by congress and approved on February 13, 1917. It provides for the use of federal funds in training of agricultural teachers and for the aid of high schools in maintaining departments for teaching of vocational agriculture.

High rolled brim hats, made of hair braids. Trimmed in heather and fruit. Bell Millinery.

NOTICE OF SALE OF GOVERNMENT TIMBER. General Land Office, Washington, D. C., February 18, 1922.—Notice is hereby given that subject to the conditions and limitations of the Acts of June 9, 1916 (39 Stat., 218) and February 26, 1919 (40 Stat., 1179), and the instructions of the Secretary of the Interior of September 15, 1917 (46 L. D. 447) and September 26, 1919 (47 L. D. 581), the timber on the following lands will be sold April 12, 1922, at 10 o'clock a. m., at public auction at the United States Land Office at Roseburg, Oregon, to the highest bidder at not less than the appraised value as shown by this notice, same to be subject to the approval of the Secretary of the Interior. The purchase price, with an additional sum of one-fifth of one per cent thereof, being commissions allowed, must be deposited at time of sale, money to be returned if sale is not approved, otherwise patent will issue for the timber which must be removed within ten years. Bids will be received from citizens of the United States, associations of such citizens and corporations organized under the laws of the United States or any state, territory or district thereof only. Upon application of a qualified purchaser the timber on any legal subdivision will be offered separately before being included in any offer of a larger unit. T. 21 S., R. 4 W., sec. 21, SE¼ SE¼, fir 500 M., some of the fir timber to be sold for less than $1.75 per M.; T. 27 S., R. 13 W., sec. 31, NE¼ SE¼, yellow fir 150 M., red fir 150 M., hemlock 50 M., red cedar 50 M.; NW¼ SE¼, yellow fir 200 M., red fir 50 M., hemlock 20 M., red cedar 30 M.; SE¼ SE¼, yellow fir 400 M., red fir 100 M., hemlock 50 M., red cedar 50 M.; SW¼ SE¼, yellow fir 1000 M., hemlock 50 M., red cedar 100 M.; NE¼ SW¼, yellow fir 500 M., hemlock 125 M., red cedar 25 M.; SW¼ SW¼, yellow fir 150 M., red fir 100 M., red cedar 50 M.; NW¼ SW¼, yellow fir 250 M., hemlock 50 M., red cedar 50 M., white fir 25 M., some of the yellow and red fir timber and red cedar timber to be sold for less than $2.50 per M., and some of the white fir and hemlock timber to be sold for less than 75 cents per M. (Signed) WILLIAM SPRY, Commissioner, General Land Office.
