THREE DAYS OF Sensational Shoe Selling

THREE DAYS OF Sensational Shoe Selling

We Have Combed Our Stock. All of Our Short Lines Will Be Out in Bins On Racks, So You Can Help Yourself at Compelling Prices

Just a Word or Two in the Way of Explanation

As the name implies, this is a CLEAN SWEEP SALE, and we are going to sweep clean. Naturally after 30 days of terrific selling, through which we just passed, there is bound to be an awful lot of short lines. We are offering hundreds and hundreds of pairs of shoes, low shoes, pumps, oxfords, high-cuts, evening slippers, spats, leggins, etc., etc., at a mere fraction of their real value. We want to CLEAN UP and we are going to make this a CLEAN-SWEEP proper. You'll never forget this sale. It's going to be an event in the merchandising history of this county. This message is being sent to every part of the county and we are preparing for the largest crowds we have ever handled. Extra clerks will help you make your selections and find your size. Shoes for every and any occasion will be out. There will be shoes on tables, shoes on racks, in bins, out for you to select from. We are going to do more business in these three days than would ordinarily be done in an entire month. Come prepared to buy, for when you see shoes at the prices we are selling them, you will buy two, three, four, and probably more pairs. This sale is positively for three days only, so come early and often. You will want to come again. Doors open Friday, March 31st, at 9 A. M.
