TRANSFER OF GRAND HOTEL MADE TODAY

W.O. Clinger Recent Purchaser
of Building and Business
Takes Possession.

PUTS IN NEW FURNITURE

Building to be Remodeled and Re-
furnished and a Number of Sub-
stantial Improvements Made
By the New Owner.

W. O. Clinger, who recently purchased the Grand hotel building and business, took possession today and there is considerable activity going on there today. Mr. Clinger is putting in all new furniture and fixtures and Mr. Schwartz, the former owner, is moving out all of his property. In spite of the confusion caused by this change, Mr. Clinger announces that provisions are being made to care for

the regular patrons of the hotel but that it will be impossible to accommodate transients for a few days.

Mr. Clinger is refurnishing the hotel throughout. He has bought very expensive fittings and is giving a great deal of attention to the beds which he states that he expects to make very comfortable by buying the best quality. Several carloads of furniture arrived this morning and were unloaded at once and a number of rooms fitted up for the accommodation of the regular patrons. The rooms are being refitted throughout and as soon as arrangements can be made Mr. Clinger expects to renovate the entire building.

Architect F. E. Alley is now working on plans to remodel the structure to give added convenience and it is expected that several changes and alterations will be made in the near future. The walls are to be retinted and redecorated and the lobby is being greatly improved at the present time.

J. H. Clark, who has been serving as day clerk, will remain under Mr. Clinger's employ, while George Morris, the night clerk, has transferred to the Empqua hotel.

Mr. Schwartz, who formerly made his home at the hotel, has purchased the home on Douglas street, formerly belonging to Dr. J. R. Chapman, and is moving with his family into that home which has been beautifully furnished. Mr. Schwartz, who is the proprietor of the Roseburg Furniture company will, in the future, devote his time to that business.

TRAGEDY STALKS INTO FISTIC RING

George Tetcie, Opponent of
Carl Miller, Badly Injured
In Eugene Scrap.

TAKEN TO HOSPITAL

Hemorrhage of Brain Results from
Boxing Encounter—Six Doctors
Called in Consultation—
Contest Was Game One.

EUGENE, April 1.—Tragedy stalked into the roped boxing arena last night. George Tetcie, 34, of Brownsville, took the chance that every boxer takes and early this morning he lay at the Mercy hospital seriously perhaps fatally injured as the result of what was believed by attending physicians to be hemorrhage of the brain, brought on in his scheduled ten round bout with Carl Miller, of Eugene, the main event on Jack Fulton's boxing card in the armory last night.

Tetcie went down after a losing battle while the referee counted nine in the middle of the seventh inning and then rose groggily to the ropes. Miller was given the decision on a technical knockout but there was no indication that Tetcie was injured until some minutes later, after the record crowd had streamed out of the big building well pleased with the event and noting the game loser of the main bout still groggy but seemingly snuggling in his corner of the ring, climbing down through the ropes without help and setting out for the dressing room. On his way down the stairs into the armory basement he showed signs of serious injury; within but a few moments he became unconscious and was taken to the Mercy hospital where five or six doctors were called for consultation.

Too Serious for Operation.
The injured man's condition was considered too serious to stand an operation should one have been thought necessary. He showed some improvement shortly after his arrival at the hospital but remained unconscious. His condition is critical.

In the Mercy hospital corridors through long hours last night stood a little group of boxing promoters, boxers and friends of the injured man awaiting news of any change for better or worse. Carl Miller was among them but at no time was he allowed to know the seriousness of Tetcie's condition. Tetcie is married and works in a butcher shop in Brownsville. Friends, none of whom had any complaint to make, say that he is no novice in the ring and that he boxed extensively while in the army at Camp Lewis. He was considered in good condition before the bout last night.

Tetcie was clearly outclassed last night in his bout with Miller which however, was clean and reasonably fast. Miller used a left jab and a right upper which registered heavily on the heavier fighter—Tetcie weighs 169, Miller 158. Tetcie showed will ingness and exceeding readiness to cover at any and at all opportunities. In the fifth round he put up a stiff opposition. In the sixth Miller opened up with right and left to the body and uppercuts to the face and his deadly left jab. The end of the period found Tetcie groggy. Miller made short work of it in the seventh.
