CHURCHILL HARDWARE CO.

Quarterly Meeting Christian Church

Most delightful service was at the Christian church last night. It was the regular quarterly meeting of the church and the record of the first quarter of the year was among the finest ever. Every department of the church was in good condition. The offering showed practically all bills paid and a good surplus in the bank. The pleasing things were the presence of the Rose evangelists. Mr. and Mrs. J. L. Smith, of the company entertained with their fine concert and the big crowd present to let them quit. A social followed and a most delightful evening was had.

Includes the big concert and singing at the Christian church Sunday evening.

ARMORY DANCE.

At the armory Saturday night, April 8. Beat music, best floor. Ott's orchestra. Everybody welcome.

NOTICE OF SALE OF WATER BONDS

Notice is hereby given that the undersigned City Recorder of the City of Drain, Oregon, will, up to 7:30 o'clock p. m. on Saturday, April 15, 1922, at his office in said city, receive sealed bids for the purchase of \$15,000.00 of Water Bonds of the City of Drain. Said bonds will be issued by said city by authority of the City Charter and of Ordinance No. 29. They will be issued in denominations of \$500.00 each and will bear interest at six per cent per annum, payable semi-annually, and will be payable in twenty years from their date, but may be paid at the option of the city at any interest payment period at or after ten years from their date. Said bonds will be sold to the highest and best responsible bidder for cash.

H. H. BOOLESTON, City Recorder of the City of Drain, Oregon.

A Question of Fairness

Now and then we sacrifice a new car sale because we will not allow an excessive price for a used car. We do this for the protection of our patrons. If we paid Smith too much, we would have to get it back from Jones. But that would be unfair—and we believe in fairness, even if it hurts.

A Few of This Week's Offerings:

- | | |

FARM NEWS

GROWING COWPEA IN COMBINATION

Greater Variety and Larger Yield of Feed Is Obtained and Easier to Cure.

CORN USED QUITE GENERALLY

Excellent Mixture for Silage and Is Being Extensively Used on Dairy Farms—Sorghums and Kaffirs Also Favored.

(Prepared by the United States Department of Agriculture.)

Although the cowpea can be satisfactorily grown alone, it is more advantageously grown for hay in combination with other crops. When grown in this manner, not only is a greater variety and larger yield of feed obtained, but the mixed hay is much more easily cured and handled. Corn is used quite generally with cowpeas, but only to a slight extent for hay. The crop most widely used with cowpeas for hay is sorghum, both sweet sorghums and kaffirs, although other crops, such as Sudan grass, Johnson grass, soy beans and millet, are used.

The cowpea is an excellent crop to grow with corn for silage, and it is being used extensively for this purpose on many dairy farms, especially in the northern part of the cowpea area.

If grown with corn for other than silage purposes, cowpeas are allowed to ripen a fair percentage of pods, which are gathered for seed and the remainder gathered. This method not only gives a crop of corn but also sufficient cowpea seed for sowing the next season, and the residue makes either a hay crop or a fair amount of grazing for stock. In many parts of the South, especially in the sugarcane districts of Louisiana, cowpeas instead of being pastured are harvested for hay after the corn has been gathered.

Cowpeas and Sorghum. Cowpeas grown in combination with sorghum make an excellent hay or silage crop. As a hay crop this mixture is more easily cured than cowpeas alone, constitutes a well-balanced ration, and is relished by all kinds of farm stock. Both the sweet sorghums and the kaffirs are used. The Amber sorghum is most generally favored. When grown in rows, the Sumac and orange varieties of sorghum are fully as good as the amber since they grow larger and stronger plants. The whip-

Cowpeas Growing With Sorghum.

poorwill, iron, unknown and clay varieties of cowpea require about the same time to mature as the sorghums and therefore should be used in place of the earlier sorts. Harvesting with a mowing machine is most satisfactory.

When sown "broadcast" for hay, the sowing is best done with a grain drill on well-prepared land, the two kinds of seed being well mixed and sown at the same time. Usually the best rate to sow is about one bushel of cowpeas and half a bushel of sorghum seed to the acre. Where the grain drill is not available for sowing, the cowpea seed should be disked or harrowed in, and the sorghum should then be sown while the land is rough, the seed being covered with a drag harrow or weeder.

Excellent results are obtained by sowing cowpeas and sorghums together in cultivated rows 2 1/2 to 3 feet apart. This method requires about 45 pounds of cowpeas and about one-third of a bushel of sorghum seed to the acre.

IT'S HERE!
The price reduction on Universal Tire Filler, effective April 1st, 15% cut. 324 Cass St.
FILLER STATION

MILK SAMPLES FOR TESTING

Only Fair Way Would Be to Make Average of Two to Four Milkings—Cows Will Vary.

A fair sample of milk for a test should be an average of two or four milkings. Cows do not always give milk of the same test. Lots of cows test lower in the morning milking than at night. The only fair way is to make an average and a sample of more than one milking is necessary to get this average test.

FOR COUNTY JUDGE.

To the Voters of Douglas County, Oregon:
I hereby announce my candidacy on the republican ticket for the office of County Judge at the primary election to be held on the 19th day of May, 1922. I ask your support upon my record as County Judge for eleven months, and also upon my record as Sheriff and Tax Collector of Douglas County for ten years. If I am nominated and elected I will discharge the duties of my office faithfully and endeavor to conduct the affairs thereof as economically as is consistent with good business judgment, equalize the assessments so as to distribute the tax burden more evenly and see that one hundred cents' worth of work is received for every dollar expended in the construction of roads, and that the bond money shall be expended where it was voted by the people of this county.
(Paid Adv.) GEO. K. QUINE.

FOR COUNTY SURVEYOR.

I hereby announce my candidacy for the republican nomination for the office of county surveyor at the primary election to be held on May 19, 1922. If I am nominated and elected I will during my term of office render an efficient, economical and courteous administration and will make a complete duplicate record of all surveys as required by law, and will work for the best interest of the voters and taxpayers of Douglas County.
HARVEY L. EPPSTEIN.
(Paid Adv.).

FOR COUNTY SURVEYOR.

To the Voters of Douglas County:
I hereby announce my candidacy, on the republican ticket, for the office of County Surveyor at the primary election to be held on the 19th day of May, 1922.

I have been connected with this office about one half of the time since 1911, and for the past ten years have been engaged on highway and land surveys. I have thoroughly studied the laws pertaining to property lines, and if nominated and elected, I will employ enough efficient help so that applications for surveys will receive prompt attention. I will make legal and accurate surveys, durably marked on the ground, and file complete and accurate records in both the surveyor's and clerk's office. I ask your support upon my record for honesty and fair dealing with those who have previously employed me throughout the county.
JESSE W. COLE.
(Paid Adv.).

FOR COUNTY COMMISSIONER.

I hereby announce myself a candidate for the republican nomination for County Commissioner at the primary convention to be held on May 19, 1922. I pledge myself to a progressive and economical administration and will do all within my power for a reduction of the tax burden.
(Paid Adv.) EDWIN WEAVER.

FOR COUNTY COMMISSIONER.

I hereby announce myself a candidate for the republican nomination for County Commissioner, subject to the will of the voters at the primary May 19, 1922.

I believe in tax reduction and re-trenchment along all lines where possible. I believe in giving the taxpayers value received for their money, and that every road district in the county should have its just share of road money. Also believe in developing the resources of the county along practical business lines.

If elected I promise an active administration of the county's affairs.
C. O. AGRIETT.

TO THE VOTERS OF DOUGLAS COUNTY OREGON.

I hereby announce my candidacy for the republican nomination for the office of State Representative, fourth district, at the primary election to be held May 19, 1922. Platform: I stand for tax reduction along businesslike lines. I do not stand for destruction of necessary functions of the state government. If a practical form of cabinet government can be devised which will do away with our numerous commissions and save expense, I shall stand for it. I favor amendment of the jury law so as to avoid hardship upon those who are using the highways for purposes which are not strictly commercial. I stand on my former past record in the legislature and if again elected I will do my best for just and progressive legislation and for economy in everything.
(Paid Adv.) A. E. SHIRIA.

Isn't It
Funny--

How can a man sleep on an advertised mattress, in advertised pajamas get up in the morning and shave with an advertised razor and soap, put on advertised underwear, shoes, socks, garters, shirt, collar, suit and watch; sit down to his breakfast of advertised bread, advertised breakfast foods and coffee, read the advertisements in the morning paper. He then puts on an advertised hat, lights an advertised cigar, drives to his place of business in an advertised auto and then has the NERVE to say "advertising doesn't pay."

Funny, Isn't It?
