ROSEBURG, OREGON

FARM NEWS

NEW YORK, April 10.—Conviction that the farmers of the United States have "turned the corner" and are now started on the road to normally prosperous conditions was the consensus of statements by governors of leading agricultural states made public here today.

The assurances were given in response to an inquiry by E. A. Strout to ascertain the facts concerning the agricultural situation. They came from agricultural states representative of all sections of the country, from New England to the plains states of the Middle West and from the Great Lakes to Virginia and Mississippi.

In making these reports public, Mr. Strout expressed the belief that they reflected accurately a widespread condition extending throughout the farming states from the Atlantic seaboard to the Rocky Mountains.

Some of the governors not only asserted that the farming situation was improved but forecast imminent improvement in the industry generally.

One of the most optimistic of the statements came from Governor Harry L. Davis, of Ohio, who telegraphed: "Our department of agriculture has made a survey of farm conditions in Ohio. Glad to advise that agriculturally Ohio farmers are on the upgrade. Improvement in price of farm products and improved marketing conditions have given Ohio farmers renewed hope and 1922 gives every indication of being a more prosperous year than the past."

"Ohio is in as sound condition as any state in the Union. We have turned the corner and are going forward agriculturally, industrially and commercially."

Extracts from the messages of some of the other governors follow: Governor McCray, of Indiana: "Conditions are improved and prospects brighter in Indiana. On the whole, the outlook is good for an early return to normalcy."

Governor Sprout, of Pennsylvania: "I feel that all conditions point to better times for agriculture in Pennsylvania. There was some delay due to disturbance incident to the threatened coal strike, etc., but I feel

their credits to secure the four degrees. Bill Knight was chosen "yell leader" and several yells were practiced. The afternoon was all too short for the games, contests and the "cats." This Junior Endeavor Society holds its weekly service Sunday afternoon 2:30 to 3:30 and much interest is shown in these meetings.

NEW LAWS HIT THE LOUNGE LIZARDS

BERKELEY, Cal., April 10.—(By United Press.)—If recently adopted rules for the conduct of University of California co-eds are strictly enforced, house mothers at sororities will soon be adopting the Stanford system of arousing Lounge-Lizard Louis from clasping the hand of Languid Louise on the sorority divan at late hours by letting down the time-honored alarm clock, ringing loudly, on a string, or knocking his derby off the hat rack with a stick.

The two rules recently adopted by the women's council of the university are: Resolved that callers leave at 12 o'clock Friday and Saturday nights, and at 10:30 on all other nights.

Resolved that we are in favor of a rule requiring women to stop dancing at 1 o'clock Fridays, and 2 o'clock Saturday nights, and to be home at 2 o'clock Friday and Saturday nights.

Thus, it may be seen, if the men want to go on dancing after these hours, they can—without interference from the women's council.

At the same time, Friday night ought to be popular—with that extra hour after the dance closes, and before it's time to get home.

Nothing is said about Sunday dancing, although 2 o'clock Saturday night is sometimes called Sunday morning in the large cities.

FOR COUNTY JUDGE.

To the Voters of Douglas County, Oregon: I hereby announce my candidacy on the republican ticket for the office of County Judge at the primary election to be held on the 19th day of May, 1922. I ask your support upon my record as County Judge for eleven months, and also upon my record as Sheriff and Tax Collector of Douglas County for ten years. If I am nominated and elected I will discharge the duties of my office faithfully and endeavor to conduct the affairs thereof as economically as is consistent with good business judgement, equalize the assessments so as to distribute the tax burden more evenly and see that one hundred cents' worth of work is received for every dollar expended in the construction of roads, and that the bond money shall be expended where it was voted by the people of this county. (Paid Adv.) **GEO. K. QUINE.**

FOR COUNTY SURVEYOR.

I hereby announce my candidacy for the republican nomination for the office of county surveyor at the primary election to be held on May 19, 1922. If I am nominated and elected I will during my term of office render an efficient, economical and conscientious administration and will make a complete duplicate record of all surveys as required by law, and will work for the best interest of the voters and taxpayers of Douglas county. **HARVEY L. EPSTEIN.** (Paid Adv.)

FOR COUNTY SURVEYOR.

To the Voters of Douglas County: I hereby announce my candidacy, on the republican ticket, for the office of County Surveyor at the primary election to be held on the 19th day of May, 1922.

I have been connected with this office about one half of the time since 1911, and for the past ten years have been engaged on highway and land surveys. I have thoroughly studied the laws pertaining to property lines, and if nominated and elected, I will employ enough efficient help so that applications for surveys will receive prompt attention. I will make legal and accurate surveys, durably marked on the ground, and file complete and accurate records in both the surveyor's and clerk's office. I ask your support upon my record for honesty and fair dealing with those who have previously employed me throughout the county. **JESSE W. COLE.** (Paid Adv.)

FOR COUNTY COMMISSIONER.

I hereby announce myself a candidate for the republican nomination for County Commissioner at the primary convention to be held on May 19, 1922. I pledge myself to a progressive and economical administration and will do all within my power for a reduction of the tax burden. (Paid Adv.) **EDWIN WEAVER.**

FOR COUNTY COMMISSIONER.

I hereby announce myself a candidate for the republican nomination for County Commissioner, subject to the will of the voters at the primary May 19, 1922.

I believe in tax reduction and retrenchment along all lines where possible. I believe in giving the taxpayers value received for their money, and that every road district in the county should have its just share of road money.

Also believe in developing the resources of the county along practical business lines.

If elected I promise an active administration of the county's affairs.
