

WHY CHEVROLET LEADS IN SALES

Chevrolet New Superior Model is a completely modern, fully equipped car, built to deliver all the real service you can get from any automobile, at the lowest price for which

you can get it. In every line, people pay different prices for the same thing, or what is essentially the same thing. You can hear an opera for from

\$1.00 to \$50.00. You can buy a square meal at from 50c to \$25.00. You can take a ride for from 1/4c a mile to \$2.00 a mile.

In this year of common sense, 1922, people are weighing values. They realize how much they have been spending for show, for vanity, and for non-essentials; and now they are

making each dollar WORK. THAT IS WHY CHEVROLET IS FIRST IN SALES OF STANDARD FULLY EQUIPPED CARS.

I wish to call the attention of the county court to the auditor's report on Sutherland Valley Irrigation District. In this fund he has reported a balance of \$640.78. The records in my office and the records in the county clerk's office show the true balance to be \$1,771.88. There are other differences in the balances reported in the auditor's report and the balances in the treasurer's office. I have made such corrections as are justified by the report on actual errors, but in no case have I made an adjustment on arbitrary figures not supported by my records. I believe that I am better able to judge where funds properly belong than someone not familiar with county business.

Therefore, I have only made corrections that are supported by my records.

I, J. E. SAWYERS, treasurer of Douglas County, Oregon, hereby certify that the foregoing statement of receipts and balances is true and correct, as I verily believe.

J. E. SAWYERS,
Treasurer of Douglas County, Oregon.
