Making Race For Republican Office

O. H. Fithian, of Portland, candidate for the office of republican national committeeman, was born 55 years ago near Butler, Pa., on a farm where his father also first saw the light of day and which was literally hewn out of the wilderness by his grandfather.

Mr. Fithian comes of old republican stock, his father having been an active republican and his pioneer grandfather a member of the Pennsylvania legislature for several terms as a representative of the old Whig party.

After attending the public schools at Plymouth, Indiana, for 7 years, Mr. Fithian moved to Parsons, Kansas, in 1883, and worked there and later in Kansas City as clerk in a store. In 1887, at the age of 20, he went on the road as a traveling shoe salesman and this occupation he followed for 25 years.

It was as a traveling salesman that Mr. Fithian first came to Oregon 30 years ago. He married in Washington, Pa., in 1889 and moved with his family to Portland in 1900, residing there continuously ever since. He engaged in the wholesale shoe business in Portland in 1905 and in 1910 formed a partnership with S. B. Barker, of Condon, Oregon, an old friend and prominent Oregon merchant and stock raiser, under the firm name of Fithian-Barker Shoe company. He is president and manager of that company at the present time.

Mr. Fithian has two children, Pauline C. Fithian and Robert G. Fithian. The son, upon the entrance of the United States into the World War, volunteered for the aviation service, was sent to France for training as an aviator, and had risen to the rank of first lieutenant when the armistice was signed.

C. H. Fithian is a 32nd degree Mason, Scottish Rite, and a member of Al Kader Temple of the Mystic Shrine. He holds membership in the Multnomah club, Portland chamber of commerce and other civic and fraternal organizations.

The platform on which Mr. Fithian bases his candidacy for the office of national committeeman is as follows: "If I am elected national committeeman, I will loyally support the principles of the republican party and exert every honorable effort to insure the election of the candidates of the party nominated at the republican primary."

"The republican national committeeman owes it to his party and his state to work in harmonious cooperation with Oregon's Republican delegation in Congress, to the end that Oregon's industrial, financial and political interests may at all times be protected."

"As national committeeman I shall not content myself with attending meetings of the republican national committee once or twice a year, but I shall do my utmost to assist the Oregon delegation to obtain the passage of progressive legislation as recently formulated for the relief of our farmers and livestock men. I shall exert myself to aid Senators McNary and Stanfield to obtain for Oregon farmers their just share of the loans now being made by the War Finance Corporation, in the same proportion in which such loans have been already made to Wyoming, Utah, New Mexico and other western states."

"I believe, with Theodore Roosevelt, that the people should rule, and favor a nation-wide presidential primary, giving the voters of all parties the right to elect delegates to their respective national conventions."

"I am heartily in favor of a just, prompt and substantial recognition of our war veterans."

"I favor rights for women within the republican party and propose that equal representation be accorded them in the membership of the republican national committee."

Mr. Fithian's campaign slogan is as follows: "Not honors for myself, but service to my party and state."

Splendid Operetta Given Last Night

The operetta, "The Belles of Beaujolais" presented by the students of the local high school at the Antlers theatre last evening was one of the prettiest, most unique and well carried out operettas ever given here. Every member of the cast, which has been under the efficient direction of Miss Midge Calkins and Miss Rosa Parrott, performed their part in the most pleasing and clever manner and the solos and choruses were beautifully rendered with the utmost ease.

The high school orchestra also deserves a great deal of credit for the splendid work they have done this year. They gave several numbers before the performance and between acts and all were greatly appreciated by the audience.

The stage settings were beautiful. The first, which represented a public square in Beaujolais, was most artistic and colorful, and the actors and actresses with their bright costumes added life and fun to the scene. The second act was a scene in a garden and with soft lights, white cherry blossoms and high garden walls and benches made an exceptionally pretty effect. The plot lacked nothing in interest or comedy and all was carried out to correspond.
