SCHOOLS

HIGH SCHOOL NEWS

The last meeting of the year of the high school Parent Teachers association will be held at the high school auditorium Monday evening, May 8, at the usual hour. The president will outline the work accomplished by the association in the past year and formulate plans for the future.

The program committee has prepared a splendid program chosen from the best talent of the town. One special feature of this program is the declamation tryout of the high school boys, for entrance in the county declamation contest to be held here the latter part of May.

The program is as follows:

Saxaphone solo, Harry Crocker.

Address, "The Making of a Good Citizen," Attorney Dexter Rice.

Vocal solo, Chas. King.

Declamation, "The Sacrifice of Sidney Carton," Dickens, Clarence Searing.

Declamation, "Bimi," Kipling, by Harvery Roser.

Declamation, "The Hiding of Black Bill," O'Henry, Merle Clark.

Declamation, "The Lost Wood," Van Dyke, James McClintock.

Vocal duet, Mrs. L. L. DeLapp and Anna Bryan.

S. B. A. NOMINATIONS TUESDAY

Nomination of Student Body officers for next year was held Tuesday at an assembly called for that purpose. The nomination of officers always furnishes a cause of much excitement, and did not fail to do so this time.

Nominations for president were Willis Moffitt and Glenn Radabaugh; for junior vice president, Paul Trueblood, Merle Clark, Harold Bemis, Vernon Taylor; for sophomore vice president, Hall Seely; for freshman vice president, Kenneth Crouch and Marion Schwartz; for secretary, Inez Calhoun, Vivian Orcutt, Charles Thurston and Iceaore Mathews (Carmen Atterbury was also nominated for this position, but declined the nomination); for treasurer, Audrey White, Francis Humphrey and Adolph Byers; for sargeant at arms, Randall Sinclair, Jack Sinniger, Victor Arundel, Vernon Stephenson, Baxter Moore, A. Byers and Phil Singleton.

Votes will be cast for these nominees by the Australian ballot system on next Tuesday.

LETTERS AWARDED

Letters for inter-scholastic basketball were awarded to the boys' and girls' teams Tuesday. S. B. A. President Newland in presenting the honors expressed the thanks of R. H. S. for the good work done by the teams in boosting Roseburg to a good place on the map in the sport. The boys' team won every game played excepting one, and it was only this one that kept them from participation in the state championship contest. The girls' team, although they did not win so many honors showed themselves to be loyal fighters standing back of their school.

Those who received letters Tuesday were: Boys, Don Hunt, captain, William Burr, Adelbert Abraham, Wallace Rapp and George Singleton; girls, Camille Patterson, captain, Rosina Porter, Grace Wickham, Frances Humphrey, Luella Brown and Ada Henbest.

All of these players have spent much time in training and deserve recognition of the fact. They are the real fighters of the school.

OPERETTA RETURNS LARGE

The financial returns of the Glee club operetta were very large, considering everything. The return, as now calculated, is something like a hundred dollars. This amount is considered a very fair amount for a play of this kind as it is seldom that they draw very large crowds. This will probably be the last operetta that will be presented by the high school for some time, because of the lack of a teacher in music due to the failure of the bond issue.

SENIOR GIRLS WIN TRACK HONORS

The senior girls walked away with all the honors in the inter-class track meet held Tuesday afternoon. In the 50 yard dash, the javelin throw, the 100 yard dash, the baseball throw, the running broad jump and in the basketball throw they won first place from the lower classmen. This victory will raise the interclass score for the seniors whose record is now the highest. This makes the winning of the cup by them this year more than ever. The victory is no doubt due to more practice, a better team and advanced age(?)

UMPQUA NEARS COMPLETION

The annual Umpqua recently turned over to the printer is rapidly nearing completion. Everything is printed excepting the advertising and humor sections which are being set up now and which will be off the press very soon. The book this year is going to be one of the biggest successes in its line that has ever been attempted. Heretofore in publishing the book, staffs have found that they could not make ends meet. This year, however, with a donation of $275 from the student body and with an exceptionally large advertising return the staff will put out a book that will be both financially and materially one of the best ever published.

BIBLE EXAMINATIONS FRIDAY

Examinations in Bible training were held in the high school Friday morning for the advantage of those high school students taking the training course. By passing this examination students are accredited with one full credit. Many students took the examination Friday morning.

WORK ON TENNIS COURTS IS STARTED

Work on the construction of the girls tennis court on the back lot of the high school premises was started this week. The courts are being built by the Girls Club for the schools use. Candy sales and so forth are responsible for the proceeds. The courts to be constructed are double affairs and will fully supply the needs for this sport for all students interested.

FIRE MARSHAL SYKES ADDRESSES STUDENT BODY

Deputy State Fire Marshal Horace Sykes addressed the student body at a general assembly called Wednesday for that purpose. Mr. Sykes took for his subject, "Safety From Fire," and gave the students a few pointers which are well worth the telling. The speaker explained that the danger of fire was always with us no matter how impossible it seemed. "There is something in every home that may cause fire," said the marshal, and went on to explain the many simple causes of fires which cause the most loss by fire. Fire prevention does not mean to put out a fire after it is started, but "fire prevention is the attention to the little things," he further explained.

"Fire is the most destructive force in the universe," said the speaker, and went on to explain that 40 lives were lost in the state of Oregon last year and that five times as many people that live in Roseburg were burned to death in the U. S. last year, besides the innumerable millions lost in money.

Mr. Sykes enumerated as the most common causes in starting a fire the following.

Stove, stove-pipe and chimney.
Smouldering ashes.
Gasoline.
Electric irons.
Other electrical fixtures.
Substituting penny for plug in the fuse.
Cigarette stubs.
Oil mops.
Cellulior fixtures.
Matches in the hands of small children.

"Simple as these causes may seem," said the marshall, "they are the reasons for a great loss in property and life in the U. S. every year." A very interesting fact pointed out by Mr. Sykes was that cigarette stubs were the cause of 12 per cent of the fire loss in the U. S. last year.

SCHOLASTIC HONORS BESTOWED

Misses Delorne Parrott and Dorothy Eddy, of the senior class, were given the honors of valedictorian and salutitorian at an assembly Tuesday. These honors are based upon the highest grades for the first three and one-half years of high school work. These young ladies having proved themselves deserving of this honor have received them and are to be complimented upon it.

(Continued Monday.)

TO THE PUBLIC.

Lots of talk or pre-war prices, but here they are, 15c and 35c each for shave and haircut. At the Golden Rule Barber Shop, 618 Winchester St. We invite your co-operation. Bring the kiddies.

Salvation Army Drive Progressing

John E. Flurry, Exalted Ruler of the Elks lodge here, who has personal charge of the Salvation Army drive for Douglas county, reports that returns are coming in regularly but that many people who intend to give to this worthy cause have been slow about sending in their contributions. Letters and stamped envelopes were mailed to every member of the local lodge of Elks, also to every school teacher in Douglas county. This was done in order to get subscriptions from as many people as possible without the expenditure of time or money in making a complete canvass.

Very few people would refuse to give to this cause if they understood fully what it means. This money is to be spent in Douglas county, and the expenditure of this fund will be supervised by a committee of local men working in conjunction with the Salvation Army. Captain Ford and his little Salvation Army band in Roseburg are doing a work along the lines of relief work especially, that would be left at the civic door but for their efforts. It is strongly urged that every man, woman and child so far as possible make some contribution to the Salvation Army drive at this time, and don't wait for a solicitor to call on you. Mail your donation to John E. Flurry, Roseburg, Oregon, if you have received the letter and envelope. We must have cooperation if we finish the drive on time, and remember that we call on you but once each year for the Salvation Army. Give your money for charity to this fund and keep it at home until our local relief problems are well taken care of.

Tonight and Sunday fair.

WILLIAM BELL, Observer.

GLENDALE NEWS.

Sheriff Starmer and Miss Agnes Pitchford were in our city on Wednesday.

Miss Evelyn Moore is enjoying a short visit with home folks this week.

As we note the business changes that have taken place in our city this week, we realize how much we will miss those who are leaving us. James B. Clay, of the Glendale Pharmacy, and his estimable wife, who have filled all the requirements of the highest business ability as well as the highest standard of community usefulness and social attainments, will be sadly missed by admiring friends and patrons, and our sincere appreciation will go with them wherever they may go. And in the retirement of A. W. Wampole from the Cash and Carry, we will miss them, as we welcome the new management, Marshall and Co. Miss Marshall is a native of this city, and has high business qualifications. The new firm will have a high place in business circles. J. V. Tyrell, who is retiring from the White House Grocery, is a business man who has always succeeded, and his going will mean higher ventures along business lines. The White House Grocery is now under the sole management of James A. Dewey, who has been in business here for many years and has always made a success of every enterprise in which he has engaged. He is sure of success. To the new proprietor of the Glendale Pharmacy and his family, Mr. and Mrs. Clarence E. Illidge, of Portland, we extend a cordial welcome. Mr. Illidge is a pharmacist of many years experience, and comes to us with high approval from former patrons. We are sure our city and valley will accord them the same generous patronage that the Glendale Pharmacy has ever held.

Miss Jack Plotner will leave tomorrow for a tour of the coast. She will visit her aunt, Mrs. L. E. Enyart, at Dunsmuir, also she will look after her interest in the estate of her late father, F. O. Plotner, at San Francisco and Los Angeles. Many friends regret her going, and trust she will receive her share of her inheritance.

Bess A. Clough, who is a candidate for representative on the republican ticket, is now at Los Angeles caring for her father, who is much improved in health, we are pleased to note. They will return home next week. In the meantime the many friends and admirers of Miss Clough will look after her interests in the nominating campaign.

John Berker was the guest of Mr. and Mrs. Baseel to a birthday dinner on Monday on the occasion of his 47th birthday. He was the pleased recipient of a nice birthday present from Mr. Baseel, and the birthday cake was a splendid creation of the hostess, Mrs. Baseel.

With fine weather and plenty of work for all, our city is prospering.

Mrs. Bert Gillons and son, Neil Gillons, are looking after their property here and visiting relatives and old friends. Their home is at Walton, Lane county.
