A Child's First Teeth

should not be neglected. They form the supporting structure upon which the dental arch is built and should be kept in the mouth until they are forced out by the permanent teeth. The science of dentistry has so improved during the last century that if a dentist was consulted soon enough in childhood a person's teeth could be protected and kept whole during the course of their life. If tooth structure is completely broken down it can be repaired to its former efficiency.

Free Examination

DR. H. R. NERBAS

Painless Extraction

visiting with Mr. Wamsley's brother, C. C. Wamsley, of this city. Mr. and Mrs. Walter Wamsley have been visiting a short while in Yoncalla with their parents.

WITORS AT THE AUTO CAMP GROUNDS

Stories of the Strangers Who Stop in Their Journey Along the Highway. Washed tent-houses are a new thing now being introduced at the auto camp grounds. These tents are being erected today, have sides and sidewalls, and will be equipped with bed springs, an oil lamp and chairs. Mr. Young is setting up two tents at this time. If they prove to be successful, in a few more later. He has room for eight of them at the present time. The tents will rent for 50 cents each, being in addition to the entrance fee. Some of the auto camp grounds have experienced with tent-houses and small trailers and have found that they were well-liked by the tourists and campers.

Watch for the Caravan!
