Mr. and Mrs. Leon McClintock have moved to their new home, located in Overlook addition on Chadwick street. The McClintock home is a very attractive one, and is one of the most modern in the city.

No Elks' Meeting Tonight—

The local Elks lodge will not meet tonight, according to an announcement today, but the next regular session will be held on August 10.

Good Crop of Peaches—

Indications are that there will be a fine crop of peaches in this county this season. Fred Hamilton, of the Half Moon orchards, brought a truckload of peaches to this city this morning which were retailed at 60 cents a box.

Will Nab "Mashers"—

"Mashers" will not be tolerated on the streets of Roseburg, at any rate, such was the indication last night when four young men in an auto were warned to stop their "flirting tactics." The officers have authority to arrest "mashers" and will do so, according to their announcement today.

Expected Record Prune Crop—

Douglas county will harvest the biggest prune crop in its history this year, is the prediction freely made by the growers. A light drop is reported in the districts where the orchards have been irrigated. The trees are bending low with the fruit, and the growers are grinning with glee.

Roads Are Not Bad—

The roads to Coos Bay are reported to be in fair condition. Travel has been started over the new road, and many cars left this week for the bay country. In another year this trip will be one of the best in the state, as the road traverses a scenic route that is unparalleled on the coast.

Build Big Drier—

Thomas P. Carnes and son, of Happy Valley, have just completed a 4-tunnel prune drier, which is needed in handling their fruit this season. This is the third new drier to be built in Happy Valley this year.

'September Morn' Swimming Party—

An "artist" swimming party in which the participants were attired in their "birthday clothes" was the cause of much criticism by those who were "fortunate" enough to witness the entertainment. The party was held on the banks of the Umpqua in the small hours of the morning, and passersby report that moonshine was the contributing factor.

Many News-Reviews Distributed—

Hundreds of free copies of the Roseburg News-Review have been distributed to auto tourists in the Roseburg camp grounds this season, and many favorable comments have been heard concerning the advertising enterprise. A community is usually judged by the quality of its newspaper, and the Chamber of Commerce reports that hundreds of inquiries have been received about this section, the inquirers asserting that they first received information of Roseburg and surrounding country through the News-Review.

Two kinds of friction

It has been proved that as much as 20% of the power delivered to the driving wheels may be lost through friction, due to the use of an incorrect oil.

This friction may be of two kinds—the friction of metal on metal, due to the failure of the oil to preserve a lubricating film between the bearing surfaces, or the friction of oil on oil—the internal, molecular friction of the lubricant.
