FORD MOTOR COMPANY

ENLARGES CAPACITIES
 DETROIT, Aug. 8.—Further centralization of the Ford Motor Company in the Dearborn River Rouge district is soon in the announcement of the construction of a 3500-room office building on the site of the present tractor plant.

When the new building is ready, all the offices of the Ford company will be in Dearborn, Henry Ford's birthplace.

In the office building will be a section devoted to experimental work. The Dearborn Independent will be published there also.

Two new plants are to be built in the east and south. Green Island, near Troy, N. Y., will have a plant for the manufacture of roller and ball bearings. New Orleans will assemble cars at the rate of 150 a day.

KANSAS NEGROES CLAIM RECORDS FOR OLD AGE

LEAVENWORTH, Kan., Aug. 8. (I. N. S.)—Living in this city are two negroes, both of whom contend they are the oldest of their sex and race in the state. Henry Harris, now past his 117th birthday, voiced his claims on the part of the men, while Rona Chapman vehemently declared she wanted the public to know she was the women's representative for any age honors to be distributed in the state. She is 107 years old.

Harris also feels that he can qualify as a champion in other things. He boastfully told of being the father of 28 children.
