OR. No. 162, OF RO. VIEW

ROSEBURG, OREGON, THURSDAY, SEPTEMBER 7, 1922.

VOL. XI, No. 58, OF THE EVENING NEWS

IMPROVEMENTS MADE TO SCHOOL BUILDINGS PRIOR TO OPENING ON SEPT. 18

Roseburg Building Has Been Repaired and Improved and Two New Rooms Have Been Built in the Basement—Rose School Painted—Assembly Room at Benson.

Boys and girls of Roseburg set out on the quest of another year of schooling on Monday, Sept. 18, 1922. The buildings are cleaned, the teaching corps has been selected and the proper text-books and supplies are being placed on shelves at the book store. No improvements have been made in the Rose school buildings; the inside of the Rose school is resplendent with new coats of varnish, gray and buff kalsomine. The outside presents a marked contrast to the interior. New gutters have been installed, and an additional fire escape added. The latter, along with the fire escape and several large fire extinguishers, make the building from fire hazard.

High School Registration. To enable both old and new students in planning their semester's work, the following data will be of use.

Subjects to be taught in each grade as follows:
Freshman—English I-II; Algebra I-II; Latin I-II; Greek and Roman History; Occupations and for those planning to take the complete Commercial course, Penmanship and Bookkeeping I.
Sophomore—English III-IV; Plane Geometry I-II; Caesar; Physiology; History; Commercial Geography and Bookkeeping I.
Junior—English V-VI; Solid Geometry; American History; Spanish I; Biology I; Bookkeeping III; French I, and Typewriting I.
Senior—English VII-VIII; American History; Civics; Spanish III; Biology II; Shorthand III and Typewriting III.

Entrance Requirements. A graduate from the 8th grade of city school or one who holds an equivalent diploma from any other school, may enter the Roseburg high school. Students having taken high school work elsewhere will be given credit for same if the school attended is standardized; otherwise examinations must be taken in all subjects where credit is desired.

Grade Schools. Section 406 of the Oregon School Code provides that every parent or guardian having control of any child between the ages of 9 and 15 years, shall be required to send such child or children to school during the time it is in session, and for the failure of complying with this act on the part of any parent or guardian he shall be liable to a fine of not less than \$5 more than \$25 or by imprisonment in jail not less than two nor more than 10 days.

Head of Red Cross Decorated by Belgium. BRUSSELS, Sept. 7.—John Barton Payne, chairman of the American Red Cross, was decorated yesterday by Knight Albert with the Order of Leopold for aid rendered by the Red Cross during the war.

Complaint is Filed Against the Proposed Steel Merger. WASHINGTON, Sept. 7.—The federal trade commission reported to the senate today that they had filed formal complaint against the merger of the Midvale, Republic and Inland steel companies as violating the anti-trust law.

BRAZIL-BOUND AIRPLANE LANDS IN ISLAND OF HAITI

(By Associated Press.) PORT AU PRINCE, Haiti, Sept. 7.—Lieutenant Walter Hinton in an airplane, arrived here today at noon on his trip from the United States to Rio de Janeiro, Brazil.

M'ADOO WILL MAKE RACE AT THE 1924 CONVENTION

(By Associated Press.) NEW YORK, Sept. 7.—William Gibbs McAdoo, former secretary of the treasury, is an avowed candidate for the democratic nomination for president in 1924, William C. Lyons, of Denver, sergeant-at-arms at the last three democratic conventions, declared today.

SECTION ROOSEVELT HIGHWAY IS BUILT

Residents of Western End of County Anxious to See Highway Completed. COUNTY COOPERATES

All New Road Work Being Laid Out to Conform to the Grade and Alignment of the State Highway—Section Nearly Done

The foremost highway project in the minds of the residents of the coast section of Douglas county, is the Roosevelt Highway, a project which has the endorsement and support of practically all other residents of this county. To the people of the coast, however, it bears a much greater importance for they can in a better manner realize the great value this highway will have in the development of their property and their community.

The Roosevelt Highway is perhaps nearer reality than most people imagine. A road map if carefully studied shows that there are only a few connecting links to complete and that with the exception of a surprisingly few miles, it is now possible to travel along the Pacific Coast through the state. The state is endeavoring to give more time and attention to this important road and it is freely predicted that the Roosevelt Highway will be an actuality by 1925.

The route in the Western end of the county crosses the Umpqua river from a point a short distance east of Gardiner, to a point west of Reedsport, the road itself passing through both places. The proposed bridge will be very expensive, and will, perhaps be the most expensive bridge the state has ever been called upon to build in the state. A good site, however, has been selected and it is believed that the bridge will be started in the near future.

The county is endeavoring in every way to lay its plans so that all road work in that section of the county will be in cooperation with the state. For this reason the Gardiner section of the Gardiner-Florence road is being built to conform to the Roosevelt Highway grade and alignment.

This section is one mile in length and is being constructed under the direction of Clyde Catching who has been employed as supervisor. R. W. Klein is employed as resident engineer. This short section eliminates a very bad grade in the old road and builds the first link of the Roosevelt Highway out of Gardiner. The road overlooks the river and from one point a clear view of Winchester Bay and the ocean is obtainable. The improvement is being paid for with special tax and market road money. There is no grade of more than 5 per cent although the road climbs up a hillside and follows along the ridge. It is a very heavy type of construction but is being built at a very low cost.

It is expected that the grade will be finished in another two weeks and will be graveled ready for travel. From Reedsport on towards Winchester Bay, the Roosevelt Highway follows the present county road for the entire distance. This almost is on a very good grade and road is only a little work and gravel surface to make it a first class piece of highway.

The people of the coast section are very anxious to see Reedsport and Gardiner connected up with Marshfield by the state highway and it is to be hoped that this is undertaken in the near future.

TENDERS RESIGNATION. (By Associated Press.) PORTLAND, Sept. 7.—At today's meeting of the Episcopalians the resignation of the Right Reverend Robert L. Paddock, of eastern Oregon, was read and accepted.

KILLED MAN WHEN HE ATTACKED HER

Confessed Slayer of Wealthy Seattle Man Confident She Can Clear Self.

STRUGGLED WITH MAN

Previous Attack Described in Detail in Confession Made to Detective—Will Not Fight Extradition to the State of Washington.

(By United Press.) OAKLAND, Sept. 7.—Following the alleged confession of the murder of Ferdinand Hochbrunn made to Detective Kent, Clara Skarin Winborn is confident that she can clear herself of the murder charge.

She will not fight extradition. The alleged confession declares that the girl shot Hochbrunn who made a night attack upon her in his home where she was living as his ward. Kent declared Mrs. Winborn stated she had left clothing at Hochbrunn's home several weeks before the shooting, and that while she resided with an aunt, Mrs. Anne Clark, she returned to the place to obtain her clothing.

Hochbrunn, she stated, made improper overtures to her, which she repulsed. Previous overtures had prompted her to leave his home, she declared. To protect herself she had purchased from a Seattle pawn shop a .32 caliber revolver, under a police permit, according to her purported statement, and this she carried with her, wrapped in a newspaper.

Threats Ignored. Kent said that Mrs. Winborn declared Hochbrunn advanced toward her and that she warned him she would kill him unless he hesitated, to which she said he replied with an oath and the declaration that she would "do nothing of the kind."

Then, her story continued, Hochbrunn advanced further, they grappled, and in the struggle, the pistol she had taken there was discharged. This shot, she said, went wild, and Hochbrunn forced her against a wall, holding her in such a position that she could not use the weapon. Kent said that Mrs. Winborn described a struggle as a result of which she was able to rest the muzzle of the revolver on the back of Hochbrunn's head and pull the trigger with her thumb. According to her account, Hochbrunn died about 15 minutes later, he said.

Mrs. Winborn said she spent several minutes after the shooting in viewing herself in a mirror, after which she closed and locked the door.

Later the neighbors were informed that Hochbrunn had gone on a trip to Portland. Mrs. Winborn said, Kent declared, that she visited the place several times afterward to obtain clothing, but never entered the room where the body lay.

Previous Attack Described. Kent said Mrs. Winborn, in describing the previous overtures she charged Hochbrunn with making, asserted he entered her room one night before she took up her residence outside his home and on that occasion she was able to elude him only after a severe struggle.

Mrs. R. R. Hubert is to leave Seattle tomorrow to aid Kent in taking Mrs. Winborn back to that city. They probably will not leave before Saturday, Kent said.

NEIGHBOR GETS WRATHY; MURDERS TWO CHILDREN

(By Associated Press.) YORK, S. S., Sept. 7.—Leta and Newton Taylor died yesterday when their two young children were murdered by William Farris, a neighbor, who was alleged to have shot and killed their cousin, Claude Johnson, and seriously wounded two sisters and a brother. The shooting followed a quarrel between the Taylor and Farris children.

Big Watermelon Feed for Youngsters

"Spit out the seeds, Willie," will be the slogan at the court house square tonight when A. T. Lawrence and the Douglas county band will be hosts to the kiddies of the city at a big watermelon feed. The band concert will start at 8 o'clock and the "eats" will be served during the concert intermission. The program tonight will be a peppy one, and some good surprises are in store for everyone. A ton of watermelons will be served to the youngsters. A dance on the lawn by the kiddies will precede the feed.

JAPANESE STEAMER IN COLLISION IN S.F. BAY

(By United Press.) SAN FRANCISCO, Sept. 7.—The Japanese steamer Rhuayo Maru was forced to return to dock after a bay collision with the lumber steamer, South Coast.

"FLYING PARSON" KILLED WHEN AIRPLANE FALLS TODAY

(By Associated Press.) RUTLAND, Vt., Sept. 7.—Lieutenant Bevin W. Maynard, known as "the flying parson," was killed while flying here today. Lieutenant Chas. F. Wood, of Ticonderoga, N. Y., and Charles Monetti, of New York, mechanics, were also killed. The plane fell 3000 feet.

REGISTRATION TO CLOSE OCTOBER 7

Voters Advised to be Properly Registered For the Coming Election.

DEPUTIES APPOINTED

County Clerk Riddle Appoints Assistants in Various Parts of County To Aid in Listing the Voters.

Voters who desire to cast their ballots at the coming election and who are not properly registered are warned that the registration books will be closed on October 7 and that they must be properly registered before that time or else sworn in on Blank A election day. The books are now open and all who are not properly registered or are in doubt should make sure of their registration at once.

Under the Oregon law it is not necessary to re-register if the voter has cast a ballot within a period of two years. Each year the clerk goes over the registration list and the voter who has not cast a vote at any election within the period of two years, is removed from the list of those registered. It then becomes necessary to qualify again. If, however, a person has voted the registration is carried on and is not necessary to register again.

All newcomers in the state, and all persons who have become of age since the last election, and all others who have not been properly registered, should register now or else they will be required to go to considerable trouble in order to cast a ballot on election day.

Persons who have changed from one precinct to another are also required to change their registration and this should be done at this time. It is not necessary for persons residing in the various communities of the county to come to the county seat to register or change their registration. County Clerk Riddle has appointed a number of registrars at various parts of the county and these will aid in the registration of voters. Those appointed are as follows:

- Applegate.....J. J. Brown
- Calapooia.....Jas. H. Dearing
- Camas Valley.....Charles W. Sharpe
- Canyonville.....Brady Barrett
- Civil Bend.....H. B. Nichols
- Coles Valley.....Roy Griggs
- Coos Bay.....J. R. Pickett
- Days Creek.....E. E. Totten
- Drain.....Thomas Krowson
- Draw.....Ed Brown
- East Umpqua.....J. L. Casebeer
- Elkhead.....W. A. Porter
- Elkton.....R. O. Thomas
- Garden Valley.....W. D. Gray
- Gardiner.....J. S. Gray
- Glendale.....Jos. B. Cloy
- Green.....L. R. Mynatt
- Gunter.....J. O. Gunter
- Kellogg.....Geo. F. Miller
- Leona.....C. H. Currier
- Looking Glass.....Wm. Voorhis
- Loon Lake.....F. L. Jones
- Melrose.....Mrs. M. Scott
- Millwood.....R. R. Clarke
- North Myrtle.....R. T. Blakely
- North Myrtle.....J. M. Martin
- South Myrtle.....J. M. Martin
- Nichols.....George E. Aiken
- Oakland.....James H. Dearing
- Ollala.....A. S. Ireland
- Perdue.....Amos O. Buker
- Pinkston.....James H. Dearing
- Reedsport.....Stanley Chapin
- Riddle.....George E. Aiken
- Scottdale.....T. W. Andrews
- East Sutherlin.....M. N. Tisdale
- West Sutherlin.....M. N. Tisdale
- Tiller.....Mrs. W. A. Nordman
- West Fork.....Winifred Barr
- Wilbur.....Winnifred Russell
- Yoncalla.....J. J. Brown

The following precincts will register with the county clerk in Roseburg, Bellows, Benham, Caro, Deer Creek, Dixonville, Edenshower, Hamilton, Happy Valley, Herman, Lane, Mill, Parrott, Roseburg, Soldiers Home, Umpqua, West Roseburg, Woodward.

NEGOTIATIONS OPENED AGAIN FOR BRIDGE ACROSS RIVER TO UMPQUA PARK ADDITION

Delegation Appears Before County Court and Presents Proposition Which May Result in Settlement of Controversy and Construction of Bridge.

The way for further negotiations for a bridge across the South Umpqua river to connect up with Umpqua Park addition, was opened today when a delegation appeared before the county court and stated that all difficulties have been practically cleared away, and that a road can be procured and a bridge built for a very nominal sum of money. The county court and city council are each to be consulted regarding appropriations for the bridge, and as it is unofficially understood that both are agreeable to the construction of the Fullerton street bridge, it is quite possible that the bridge will be built next year.

The matter has been long pending and has caused considerable difficulty. The court favored a suspension bridge and road up the river along Mt. Nebo when the plans failed to get a bridge at the old site.

When the viewers laid out the road through the Lindsay property they divided the property in two parts, and Mr. Lindsay immediately claimed heavy damages. His claim was not allowed and he appealed to the circuit court, where the case is still pending.

He appeared with the delegation this morning, however, and offered to donate the right of way through his property, providing the court will take the road along the hillside and will provide a cutaway. If a bridge is built, he will donate the right of way without any reservations, and will build his own fences. If this project is accepted, however, the road will divide the Bryant property but it is believed that a settlement can be obtained there.

Attorney B. L. Eddy, who appeared with the delegation, and served as spokesman, agreed to take the matter up with the mayor and city council, as he says he is greatly interested from a personal standpoint in the project, having been one of those who formed the plan. The county court, although not binding itself to the project, appeared to be willing to enter into a co-operative agreement for the construction of the bridge, providing the city will also assist, and it is very probable that the matter will be given favorable consideration as it is understood that the city has the money on hand at the present time.

If the bridge is constructed, the city receives as a donation the fine park site which was offered several years ago by S. D. Evans after he had gained control of the property, following the collapse of the old Alexander bridge. Mr. Evans has expressed his willingness to donate the park as soon as the bridge is built and is giving his influence to the project.

The residents of Umpqua Park addition have presented a petition asking for the construction of a road along the river to the Lindsay place and a bridge across the river at that point. The court has agreed to act upon this petition, and viewers will be appointed and instructed to view out the desired road. After this report is filed, the matter of damages can be settled and it can be definitely determined whether or not the project shall be adopted. In the meantime an agreement can be negotiated between the city and the county court.

BORAH IN CONFERENCE WITH ATTORNEY DAUGHTERTY

(By Associated Press.) WASHINGTON, Sept. 7.—Attorney General Daugherty sent for Senator Borah, republican of Idaho, chairman of the senate labor committee, and after a conference regarding the Chicago injunction, it was indicated that the government would not insist in Monday's hearing on a permanent injunction on the provisions alleged to curb the freedom of speech.

RUSSIAN PORT OFFICIALS SEIZE BRITISH VESSELS

(By Associated Press.) BATUS, Sept. 7.—The Russian port authorities have seized two more British vessels. When the British flag was lowered the Soviet military band played "God Save the King," after which the red flag was hoisted to the strains of the "Internationale." Word has been received that if the ships are not released the British will dispatch a fleet of destroyers to take them forcibly.

REGARDING THE CO-OPERATIVE CONSTRUCTION OF THE BRIDGE, AND ATTORNEY EDDY ACTING, NOT IN A LEGAL SENSE, BUT AS AN INTERESTED CITIZEN OF ROSEBURG, HAS AGREED TO CARRY ON THESE NEGOTIATIONS AND ENDEAVOR TO PROCURE AN AGREEMENT BETWEEN THE TWO BODIES.

This is apparently the nearest that the project has ever been to a settlement, and it is to be hoped that some definite action may be taken immediately so that this long-standing controversy may be settled and in a manner whereby the city may receive a badly-needed park, and the residents of Umpqua Park addition the benefit which a vehicle bridge will provide for that section of Roseburg.

JAPAN AND SOVIET CONFERENCE HALTS SUDDENLY

(By United Press.) TOKIO, Sept. 7.—The conference between Japan and the Soviet government halted today. The Moscow delegates insisted upon being considered representatives of Soviet and the Chit government. Sharp disagreements followed Japan's refusal and an adjournment was taken for several days.

EPISCOPAL CONVENTION STARTS BUSINESS SESSION

(By United Press.) PORTLAND, Sept. 7.—After the brilliant pageantry of yesterday's formal opening and the organization meetings of the House of Bishops and the House of Deputies, the Episcopal convention today commenced the consideration of business. The church plans to spend \$21,000.00 in the next three years in churches, schools, hospitals, and social work. Providence, R. I., New Orleans, and Philadelphia are campaigning to obtain the next convention.

RUSSIAN SOVIET PLANNING TO AID TURKS IN FIGHTING

(By United Press.) CONSTANTINOPLE, Sept. 7.—Great Britain sent Lord Plumer, World War field marshal, to conduct a defense of Constantinople, threatened with attacks from the Turks. Nine British warships arrived in Constantinople to prevent the accomplishment of the reported plan of the Russian Soviet to land troops to assist the Turks to seize Constantinople. The Greeks have been completely routed, and are retreating to Smyrna, where 200,000 Greek and Armenian refugees are threatened with disease and famine.

DENIES THAT CONFERENCE ON STRIKE HAS BEEN HELD

(By the Associated Press.) WASHINGTON, Sept. 7.—There is no conference now in progress between leaders of the railroad strikers and the railroad presidents, and none have been held since the gatherings in New York last month, it was asserted today by J. P. Noonan, chief of the Brotherhood of Electrical Workers, one of the seven rail unions on a national strike. The meeting of the strikers' policy committee called for next week in Chicago is to consider a general strike policy and what shall be done in view of the injunction application of the attorney general, Noonan said. Bert M. Jewell, Noonan added, is enroute to Chicago, after visiting several eastern railroad centers, but was not informed whether Jewell had met any of the rail presidents. W. H. Johnston, president of the Association of Machinists, returned to Washington, after an unexplained absence. Union officials said, after a conference with Johnston, that the strike was to go forward without alteration of its previous status, at least until the meetings of the leaders in Chicago have taken place.
