### Grants Pass and Roseburg to Play

A series of baseball games with the Grants Pass team will be played by the Roseburg organization starting Sunday. The best three out of five games will decide the series. The first game will be played in Roseburg, Sunday and the next three will be played at the Josephine county fair as a part of the celebration program. In the event the series is tied at that time the fifth game will be played.

The game Sunday is expected to be a good one. The Grants Pass team is a fast organization and puts up a good game of baseball. Roseburg is also playing good ball and an interesting contest should result.

**Library Meeting Tonight**—An important meeting of the library committee will be held at the Chamber of Commerce office tonight. A good attendance is desired as plans must be completed for the community fair to be held soon.

### Christian Endeavor Band Has Meeting

The regular meeting of the Christian Workers' band was held last evening at the Christian church. This was the monthly meeting at which time the questions on a special portion of the Bible was to be given and an enthusiastic group of young people had gathered to take part in this contest.

Reports from the teams which held services last Sunday were given during the business session. The wonderful progress the young people are making was shown by the very creditable manner in which the services were conducted under the auspices of the band at the Baptist and the First Methodist churches during the absence of the pastors.

LeRoy Walker, a former member of the band, who has been away for several months, was a welcome visitor at last evening's meeting. Mr. Walker has been preaching during the summer months, and is now at home for a short vacation before resuming his studies at Willamette university.

The next meeting of the Christian Workers' band will be held at the South Methodist church where they have been invited to be the guests of the church at a watermelon feed.

### Elks Will Have Big Dance on 21st

The Elks and their wives and sweethearts will frolic again on Thursday, Sept. 21, at one of their regular fortnightly hops. This will be the opening dance for the winter, and the committee has promised some brand new features to start the winter season off right. The Elks are planning on giving these dances every two weeks during the winter months, instead of once a month which has been the plan followed during the summer. The Umpqua Five orchestra has been engaged for the dances, and will play their usual good selection of late numbers. All Elks and their wives are urged to come, especially those who have not been in the habit of attending these parties heretofore. For those who do not dance, cards and an evening of social conversation around the fire is provided as the best means of getting acquainted.

### Yoncalla Paving Job Completed

The Yoncalla paving contract was completed last night and the highway is now open at that place. For the past two weeks it has been necessary to detour but as the pavement laid was asphalt it is now open for travel and has been declared open. The state replaced the pavement through the city of Yoncalla the original surface paving been broken down by the loaded trucks. The work was done by the Oregon-Hassam paving company, J. G. Sawyers serving as resident engineer. The paving company now has a contract to widen the Rice Hill road and is engaged in straightening some of the bad curves there.

### Spencer's Melon Story Eclipsed

That 259 melons to only 18 hills of the vines was a big yield, the News-Review conceded, but here comes Perry Foster this morning with the facts and figures of what he has done in the way of Rocky Ford melon-growing, completely eclipsing Lyman Spencer, who was thought to have all comers beaten to a frazzle. Mr. Foster lives on Brockway street, and two or three years ago had his back yard leveled up with some good soil of a sandy loam nature. Two years ago a melon vine grew on the lot, but it was watered and failed to do any good. Last year Mr. Foster planted some more melons, and after they were well started, he began watering the plants, but noticed that they sort of drooped under the treatment, and he abandoned the practice, the vines perking up at once. This season he planted some more Rocky Fords, and 11 hills got a good start at once. They have not been irrigated. And here is where Mr. Spencer gets the go-by—those 11 hills have so far produced 18 dozen ripe Rocky Fords, or 216 melons, and the vines yet hold more than 50 unripe ones, or a total of 266. This gives Mr. Foster's backyard garden a surplus of just seven melons from 11 hills, as against 259 of the ripe ones so far picked by Mr. Spencer from 18 hills.

These figures give Mr. Foster's plants an average of 24 melons each, while Mr. Spencer, not estimating the fruit yet unpicked and not counted, grew an average of 14 melons to a hill.

The office statistician has reduced this competition to these figures, because the field is open and probably a lot more growers will now come in for a share in the laurels as gardeners.

### Ball Players to Banquet

Manager Frank Hillis, of the Roseburg baseball team, received word that the officials of the Willamette Valley league, of which the Roseburg team was a part, are giving a free banquet for all of the players of the various teams of the league. All of the local players who were members of the local ball squad are entitled and urged to attend, and Mr. Hillis states that he would like to know tonight the names of those who can go, in order that he may notify the committee in charge. The banquet will be held in Eugene tomorrow evening and the party will go from here late in the afternoon.

Leo Rohr, of Australia is visiting his brother, E. F. Rohr, of this city. This is the first time the brothers have met in 22 years. Leo Rohr is on his way home after spending 10 weeks in England attending to business matters.

### W.C.T.U. Ladies Sponsor Program

A number of Roseburg people motored to Myrtle Creek last Monday evening to attend the splendid program given by the W. C. T. U. at the theater there.

Mrs. Eva Akert presided at the piano, and Mrs. Marsh had charge of the following program:

Song—by the children, "Little White Ribbon Bow." Reading, Baby's Pledge, Ethel Wilder. Reading, "How Did You Die," Violet Cochran. Reading, "Spit, Spit, Spit," Mrs. Buell. Piano duet, Mrs. March. Mrs. Ackert. Reading, "College Oil Cans," Mrs. Alder. Reading, "The Polish Boy," Mrs. Cochran. Pantomime, "The Wandering Boy," Reading, "Recipe for Home Brew," "John Barleycorn Good-bye," group of girls.

This program was given for the benefit of the Children's Farm home. The women deserve much credit for the able manner in which the program was carried out and for their hard work in preparing it.

### "Home Brew Recipe"

The following recipe for making "home brew" was read before the meeting and created considerable merriment among those present:

Chase a bull-frog three miles and gather up the hops; to the hops add ten gallons of tan bark, half a pint of shellac and one bar of home-made soap; boil the mixture 36 hours; then strain through one I. W. W. sock to keep it from working. Then bottle and add one grasshopper to each pint to give it a kick.

### Above Recipe Tried

Someone sent the editor of the Picketon Gazette a few bottles of home brew. The same day he received for publication a wedding announcement and a notice of an auction sale. Here are the results:

"William Smith and Miss Luff Anderson were disposed of at public auction at my farm one mile east of a beautiful cluster of roses on her breast, and two white calves, before a background of farm implements too numerous to mention in the presence of about 70 guests, including two milk cows, six mules and one bob-sled."

"Rev. Jackson tied the nuptial knot with 200 feet of hay rope and the bridal couple left on one good John Deer gang-plow for an extended trip with terms to suit purchasers. They will be at home to their friends with one good baby buggy and a few kitchen utensils after ten months from date to responsible parties and some fifty chickens."

### NOTORIOUS WOLF KILLED

OLYMPIA, Wash., Sept. 12.—The notorious Hanford wolf, which has terrorized stockmen of Benton and Franklin counties for three years and is credited with killing \$5000 worth of livestock, has been killed, it was announced by the bureau of biological survey here.

But Webley, federal hunter, killed the wolf 18 miles from Wahuk, Franklin county, after the animal had been caught in one of Webley's traps and had broken the chain. Webley trailed the wolf by the track of the dragging trap.

The animal is said to be the first gray wolf ever taken by state or federal hunters in Washington and measured 5 feet, 8 inches from tip to tip.
