The Studebaker Light-Six Roadster and Coupe-Roadster were primarily built for business use. In meeting the urgent demands of business, they naturally have fulfilled the needs of the small family. Each is built for hard usage, day in and day out. And as they are completely Studebaker built—you know they will stand up under hard going. The bodies are attractive, roomy and thoroughly comfortable for all-day travel. Ample luggage space is provided under the rear decks. There's an internal hot-spot to reduce gasoline consumption to a minimum. Valves are inclined at a 20 degree angle to give a new measure of power, greater flexibility and better acceleration. Crank shaft and connecting rods are machined on all surfaces, thus eliminating vibration and insuring longer life to the motor. Studebaker low prices are made possible by great volume and complete manufacture. Studebaker quality is traditional.

Table with 4 columns: Model, Price, Special Six, and Biltmore Six. Includes models like Touring, Roadster, and Sedan with their respective prices.

music and arrangements have been made with the management of the Antlers Theatre for concerts to be given in connection with the regular picture programs. The band is working on some excellent concert numbers featuring selections from famous operas together with popular numbers. Section practice is being held weekly in addition to the regular rehearsals and the Douglas County band is rapidly becoming known as one of the leading musical organizations of the state.

Have a "clearing out" time. Get rid of the things that are useless to you and get things that will be useful. It can be done through the classified ads.

There are Good cooks

who just happen so— by guess, and some who are so because of mental effort and good judgment. To the latter class belong the women who choose wisely, and for a reason. You'll find this class using Crescent Baking Powder because it is a scientific product made to stand every kitchen test. And it's economical. Women of the West have proven this by many years' test.
