What God Says about OUR FATHERS

"Our fathers trusted in thee
and thou didst deliver them."*

Yes, and so did our fathers. God said this, though, primarily about the fathers of the Jews in the time of King David.

But God says it again today as a true record of the fathers of this nation. They did trust God and they were delivered time and again. So that this American people is what it is by God's care and guardianship.

And how are we honoring our fathers? Have we followed them in trusting God or have we taken it all out in these later days in letting our coins state—what isn't true—"In God we trust." Even that has largely disappeared from our coinage, perhaps in real shame because of its false pretension.

Our fathers intended this land to be a country of Christian liberty. What will our children say about their fathers?

It is time the men of the land who had Godly fathers awoke to the fact that our country has cut loose from the Bible, which was the anchor of our fathers.

See here, you business absorbed man, you pleasure absorbed woman, stop a moment and think about that Bible of yours and of your mothers. Come now, and get it open, both of you.

The Church of Christ is the only Divine institution under the sun (unless we call marriage an institution) and is therefore divine in its origin, organization, name, doctrine, and worship. It was created (not born) Acts 2. When the Apostles were "set in the church," 1 Cor. 12:28, and a law of life given it by which the Spiritual Mother could bring forth children into the family—the church. See Jer. 31:31—34 and Isa. 66:7—10 and read the fulfillment of these prophecies in Acts 2:22—47, where we learn that about 3000 (a nation born in a day) were added to them. Apostles—the Spiritual Mother, or Mother Church. In verse 47, it says those obeying the

International Bible School 939 1/2 First street. Subject of study, we find that the Scriptures regard the spiritual and human natures as separate and distinct, and furnish no evidence that the one will evolve or develop into the other; but on the contrary they do not show that only few will ever be changed from the human to the divine nature, to which Jesus Christ their head has already attained and this remarkable and special purpose in Jehovah's plan is of preparing these as Gods agents for the great future work of re-

storing all things? Come let us reason together and see if the assertions of Sir Conan Doyle or Gods words are true.

This is why Rinso is taking the place of bar soap in the family wash. Rinso suds work down into every fold and fibre, loosening the dirt without weakening a single thread. Use enough Rinso and you'll find that, at every step of the family wash, Rinso saves time and work.
