

Ideal Prune and Broccoli Land From \$40 to \$100 Per Acre

We have just completed the survey and subdivision of the Irwin Ranch and are now offering IRWINGTON GARDEN TRACTS. In the Ten Mile Valley and located on the Roseburg-Coos Bay Highway in tracts of 20, 40, 50, and 60 acres to the wise homeseeker and prudent investor who will have the opportunity to take advantage of the low prices and liberal terms made possible by the subdivision of this large acreage where a flat price is obtained on the entire subdivision and proportioned out over the several tracts.

The soil on these beautiful tracts is admirably adapted for the growing of prunes and broccoli, being in character a dark sandy loam of a splendid depth. We firmly believe that the IRWINGTON GARDEN TRACTS offer the best values to the homeseeker in Douglas County.

In addition to the fertility of the soil each tract is well watered and affords ideal building sights.

IF YOU EVER INTEND TO OWN A FOOT OF LAND IN DOUGLAS COUNTY COME NOW AND LET US SHOW YOU THESE TRACTS.

CAPTAIN ROSEB RESIGNS COMMAND

Local National Guard Officer Forced to Resign Because of Outside Work.

HAS EXCELLENT RECORD

Lyle Marsters Veteran of Royal Flying Corps Now in Command of Local Machine Company Pending Election.

Captain Avery L. Roseb today tendered his resignation as Captain of the local National Guard company. The resignation was prompted by outside work which prevented him from giving the necessary time and attention to the work of the company. First Lt. Lyle Marsters is commanding officer of the company until such time as a commanding officer is elected. The transfer of property from Capt. Roseb to Lieutenant Marsters has been completed.

Captain Roseb was instrumental in forming the local company and has been an excellent officer. He is an ex-service man and has worked his way up in service from private to sergeant and upon the formation of the local company was made lieutenant. He was rapidly promoted and served with great efficiency. The local company made good progress under his leadership and at the recent encampment was one of the best companies in camp. He was instrumental in securing a large appropriation for the improvement of the North Roseburg rifle range which will soon be put in condition. He is employed by the J. C. Penney company and is rapidly working up in that organization and so much of his time is demanded for that work and study that he has been unable to give as much time into the affairs of the company as the organization demands.

Lieutenant Marsters who takes his place is also a veteran and an efficient and capable soldier. Unable to enlist in the army of the United States at the outbreak of the war because of a physical disability, he refused to stay out of the war and went to Canada where he enlisted in the Royal Flying Corps, where he made an excellent record. Returning after the war he assisted in the formation of the local company and enlisted as a non-commissioned officer. He was soon made a lieutenant and was later promoted to a first lieutenant.

Eugene Team Is Victor Over Locals

EUGENE, Oct. 30.—Eugene high school gridsters smothered the visiting Roseburg squad under a 53 to nothing defeat in a game on the south Whifflette street lot here. The Southern Oregon eleven was clearly outclassed throughout the struggle and at no time proved to be threatening to the local outfit. Eight touchdowns were registered by the locals and five of the goals were recorded. Those who tallied for the home team were Snyder, who scored three of the touchdowns, and Fredricks, Wade, L. Manserud, Griffiths and Coleman, one each.

One touchdown was made following a forward pass of 45 yards, Snyder to Trethewey, and another score followed a forward pass of 20 yards to Snyder, who went over an additional 10 yards to the goal. The Eugene squad were frequently penalized for off-side play. They lost approximately 60 yards during the game on account of penalties. The Roseburg team played well back from the line of scrimmage and to this is attributed the many offenses of the local team, according to Grannis.

Several of the Eugene team were not in the lineup in the early part of the game owing to injuries, but as the game mounted the coach gave them a chance to participate for a short time in the contest. Captain Wade and Trethewey both went into the game in the last quarter.

Corvallis Is Next Opponent.

The next game on the schedule of the local school is with the Corvallis team November 11. The clash will be staged on the Corvallis field and according to the Eugene dope, the game will provide plenty of action, as the C. H. S. outfit has turned in a 23 to nothing score against McMinnville high school this year. The following game on the local list will be with Salem high school on the field of the latter November 25.

The Eugene-Salem game is the first meeting between these teams since 1920, as no game was scheduled last year. The differences that arose following the last game here and which resulted in the breaking off of athletic relations between the schools have been settled and the game this year has been arranged by E. F. Carleton, superintendent of Eugene schools, and George Hug, superintendent of the Salem schools. Salem this year has defeated Albany high school by a count of six, and has won over the Chemawa Indians by a score of 40 to nothing.

EVANGELISTIC MEETINGS.

Sunday was a great day at the M. E. church, south. Evangelist Cole brought four great messages, speaking at 10 in the morning to the Sunday school. There was a good response to the earnest appeal to the young people to yield themselves to Christ and the church in the morning time of their life. Eleven were baptized and received into the church at the close of this service. At 11 o'clock Rev. Mr. Coale spoke on the "Lost Christ." The sermon was a great appeal to men and women not to lose the Christ or the power of the Christ in their own heart and life. At 2 p. m. the evangelist spoke on the consequences of sin. It was a great message, and was well received by the large congregation. Mr. Coale made a great plea against a double standard of living. No one has a right to expect a higher standard of purity in his mother, wife or sister than in the case of the father, husband or brother. A great many were heard to say that they would not have missed this service for anything in all the world. Mr. Coale pleaded earnestly for the clean life. He wrote in all your thinking and living. There was a great service with the young people at 6:30. Albert Cunningham, the song leader, led in the service and got a response from every person present as to the joy in and the consecration of the Christian life. The beautiful auditorium was packed at the evening service. The evangelist delivered one of his greatest messages on "Does the Bible Teach a Burning Hell?" He read a number of passages of scripture on the subject and insisted that the great congregation take God's word on these questions and not the speculations of men. The following testimonials received attention at the hands of the speaker: "There was a mother and a young lady brought across the line to Christ, and received into the church at the close of the service. This makes eleven who have been baptized since the beginning of this meeting. The evangelist preached at 7:30 on the subject of "What's the Matter with You?" and at 8:30 on "Service at 10 a. m. each morning except Saturdays."

JEALOUSY PROMPTS DEED

CHICAGO, Oct. 25.—Breaking down under long and persistent questioning, Mrs. Tillie Klimek, in a confession today asserted she had placed poison in her husband's food because she was jealous of him, according to assistant state's attorney who questioned her. Mrs. Klimek and her son, Joseph Mitkewicz, are being held and Joseph Klimek, the husband is in a hospital in a serious condition. Klimek expressed the opinion that he had been the victim of a plot.

Reports that Mrs. Klimek had been married at least twice previously and that her husbands had both died, led Coroner Peter Hoffman to start an inquiry and to try to gain permission of relatives to exhume the bodies. Klimek told the police, she said, that his wife had induced him to take out life insurance several weeks ago.

Registration Summary for General Election Shows Gain Over Last Tabulation

Douglas county has 6,618 republican voters and 2,623 democrats, according to the official figures compiled by County Clerk J. B. Riddle following the completion of the poll books. The registration which closed on Oct. 30 shows a considerable gain over the registration at the time of the previous election. The registration at that time was 8,702 while the total for the general election is 9,895.

The registration also shows that there are 6,259 male voters and 2,436 female voters. Of these there are 4,180 men registered as republicans and 361 men and 295 women registered in the miscellaneous column. The party registration by precincts and also the male and female voters in each precinct is shown as follows:

GEORGE SMITH WINS BUICK SIX

Drawing at Library Fair Results in Great Excitement—Double Drawing

FAIR IS HUGE SUCCESS

More Than Thousand Dollars Realized for Building Fund and Will Be Set Aside to Construct Modern Library Building—Want Bids Presented.

The Library fair ended Saturday night and was a huge success from every standpoint. Great excitement surrounded the drawing for the Buick six automobile, which was won by George H. Smith of the Roseburg Service Station, who held ticket number 73. Two drawings were held in selecting the person to whom the car was to be presented. In the first drawing the number denoted the number of tickets to be drawn from the main box. In this drawing the number 21 was drawn, and under this plan the 21st ticket drawn from the box was the lucky one.

There was a huge crowd present and great excitement was shown and as ticket after ticket was drawn from the box and the number 21 came nearer and nearer a tension crept over the crowd that was released only with a rousing cheer when the winner was announced. Mr. Smith this morning presented a duplicate of the stub drawn and the car was turned over to him. Everyone expressed complete satisfaction with the method of holding the drawing and were well pleased with the way the event turned out.

The Country store was exhausted early Saturday afternoon while the stock of goods in all other booths likewise was disposed of early in the day. As a result it became possible to remove all of the booths prior to the drawing and the floor was cleared. Immediately after the automobile was given away the Umpqua Five orchestra began to play and the dance began. The floor was crowded throughout the entire evening and it was pronounced one of the most successful dances of the entire season.

From a financial standpoint the fair has been a complete success. All returns are not yet in and all bills have not been received but it is roughly estimated that the fair has netted between \$1,000 and \$1,200 as a start on the library building. This will be a good nucleus on which to start work and it is expected that the balance of the funds needed can be raised much easier now that a start has been made.

In order that the financial affairs may be closed up quickly, the committee asks that all persons holding bills against the fair present them to the Chamber of Commerce at once, and that all persons holding money for tickets of from other sources turn in such funds at once in order that the books may be balanced and the fund closed.

Dixonville Boy Has Trying Experience

Robert Hill, 13 year old son of Harry Hill, of Dixonville, had a trying experience last night when he was pinned down all night by a fallen limb. The boy went out on the hill Sunday morning to inspect a trap which he had set there. He failed to return in the evening and his parents became alarmed and began calling neighbors to see if he had gone to visit at any of the nearby places. When they failed to locate him searching parties went out and were out all night, twenty-five men spending the entire night in the woods looking for the boy. Early this morning as a large party was starting out the boy came into the road a mile or more away from home and the searchers were recalled.

He stated that he hiked back into the hills for more than a mile and had climbed into a tree. A large limb gave way with him and he fell to the ground with the limb on top of him, pinning him down so that he was unable to move. He struggled all night to free himself, but it was not until daylight that he was at last able to get from under the broken limb. Because of an impediment in his speech caused by a disease early in life, he was unable to shout, and could not call assistance, although he states that he did not see any of the searchers. He was very nervous and sustained a few bruises but was not badly injured and will not suffer any permanent effects from the experience.

to the bathroom and into Mr. Christler's room, she testified. Mrs. Christler said she saw that Mrs. Carleton was dead and stepping over the latter's body she tried to get to Mr. Christler, but he had fallen in such a manner as to partially block the door, she said. She then went to the phone and asked central to call some doctor and the chief of police, she stated.

Mrs. Christler testified concerning the arrival of the doctors, the chief of police and others, and her conversation on long distance telephone with Bishop Faber, at Helena, and what Mrs. J. H. Pyle, mother of Mrs. Carleton, who was notified of the tragedy by the bishop.

Mr. Haug confirmed Mrs. Christler's statement that she had asked him to stand on his porch until she went into the house. He added that she afterward stepped out again and said, "everything is all right. Mr. Haug." He retired and did not know of the shooting until the next morning, he said.

Saw Mrs. Carleton in House.

Mr. Haug said that last Sunday afternoon, returning to his home about 4 o'clock he had seen Mrs. Carleton trying to get into the Christler home. He also testified that on the night of the shooting, shortly after 10 o'clock, he had glanced out of the window and seen Mrs. Carleton reach up and turn out a light in the Christler home.

Mrs. P. E. Martin, librarian of the Havre public library, and a close personal friend of Mrs. Carleton described to the jury Mrs. Carleton's condition on the night of the tragedy. Returning from the library between 7 and 8 o'clock to her room in the hotel, where Mrs. Carleton also roomed, she said she went to Mrs. Carleton's room in response to a call, and found her in bed, suffering from a sort of hysteria. The Rev. Mr. Christler was already there, trying to quiet Mrs. Carleton, Mrs. Martin testified.

The eight year old son of Abner Rice of Dillard had the misfortune to fall from his pony Sunday, breaking his left arm above the wrist. Dr. Hoover of this city was called and set the arm. An X-ray will probably be taken of the injury later.

Lumber Company Defendant in Suit

Judgment in the sum of \$34,300 is asked by the bank of Woodburn in a suit brought in the Circuit court today against the Stevenson Lumber company, which has its mills near Reuben, five miles from Glendale. In this case the bank claims to hold promissory notes equaling the amounts claimed, and asks for the foreclosure of property given as security. Three special claims are set forth one amounting to \$13,000 and the others being in excess of \$10,000 each. Interest and attorney fees is also asked. The plaintiff is represented by attorneys Rice and Orcutt.

The W. C. T. U. will hold an important meeting Wednesday afternoon at 2:30 in the home of Mrs. E. A. Shuey. The amendments to be voted on Nov. 7, will be discussed. Reports from the recent state convention will be given by the delegates. Mrs. Frances Hagstrom will demonstrate with the corn products and serve refreshments. All voters are especially invited to this meeting.

Buy's Olalla Ranch.
A 320-acre ranch belonging to Mrs. Ida Denn, has been bought by Mrs. Andrie. Two or three new homes recently built by Mr. Andrie in Olalla bower were traded in on the ranch. The deal was negotiated by R. T. Helbig and J. W. Tester. The new owner bought the ranch as an investment, but it is understood he does not expect to live on the place.
