IS BECOMING A FACT OF LOS ANGELES

Nov. 7.—(United Press) San Francisco and Los Angeles are the only towns in the world where the monopoly of the film industry is becoming a fact.

Companies are increasing frequently here to film either a major or whole play. The time ago there were only a few here at one time.

At players, Betty Compson, A. B. Barrange and three here making a picture especially for the company. The picture is called "The Vengeance of the Sea" and is set in a Hawaiian setting.

East Players will be here, and the final scenes will be shot here. The purpose of the company is to get "local color" into the picture, and not to rely on the "Hollywood" style.
